

National School
Breakfast & Lunch
Program

COAST is proud to announce that ALL students, VPK through 8th grade, will be served lunch and breakfast at no charge for the 24-25 school year! Contact Christine Dichio @ christine.dichio@coastcharter.us

NOVEMBER

C.O.A.S.T Charter School

Principal's Message

It is hard to believe that the first three month of the school year are already behind us. Before we know it, the first semester will be over so I wanted to take a moment to reflect on the fantastic start to the school year.

First and foremost, thank you for your support and involvement as it truly makes a difference in our students' success. This time of year presents an excellent opportunity to refine important daily routines. Ensuring your children get plenty of sleep each night and maintaining a routine that allows them to focus on and complete their homework and daily reading lays a strong foundation for their learning.

We were thrilled to be able to celebrate attendance achievements for the 1st grading period and hope to have even more students to reward at the end of the 2nd grading period. Thank you for ensuring your children arrive at school every day, on time! Curiosity is the heart of lifelong learning. When students ask questions and seek to understand the world around them, they become more engaged and motivated learners. I encourage you to foster this curiosity at home. Ask your child(ren) about what they learned in science, the book they're reading in class, or what surprised them that day. These conversations not only reinforce their learning but also nurture a love for discovery, helping them see that learning happens when we engage with the world in big and small ways.

Thank you for being such an integral part of our COAST community. Here's to a wonderful second half of the first semester filled with learning and growth!

- Mrs. Harvey

Frankie Harvey, Principal

Christine Dichio, Dean of Students

Your Brain on Books

What science tells us about why
you should get lost in a great story

Books
Can:

Boost
your mood
Studies show that
people who read for fun
are more likely to feel
happy and confident.

Help you relax
Your mind slows down.
Your muscles melt. One
minute you're reading
in bed, and the next
you're asleep.

Bring people
together
Whether you're starting
a book club or bonding
over Whimsy Kid with a
friend, you'll be part of
a reading community.

Reading is a workout for your . . .

Memory
Reading
exercises the
brain, improving
your memory.
Maybe you'll stop
forgetting your
lunch at home!

Imagination
Books help you
see vivid pictures
in your mind.
So you feel like
you're actually at
Hogwarts, riding
a Nimbus 2000.

Heart
Research
shows that
reading about
a character's
thoughts and
feelings can
make you kinder.
