

Dear Business Owner and Community Supporter,

The Costa Mesa High School Football Family invites you to invest in our program. We need community partners like you to join us in our mission to focus on developing the “whole” player as we strive to impact young people’s character, academics, and athletic development in a team atmosphere. With your support we can strengthen and build on Costa Mesa Football’s traditions and future success.

As a sponsor of Costa Mesa Football, you will positively impact our program, players’ lives, and our community. In return, we will invest in you through various methods at our athletic events and across our social media platforms.

We offer three levels of sponsorship opportunities that make it possible for any size of business or an individual supporter to help us achieve our goals. Your generosity will go towards equipment, uniforms, facilities, services, team-building meals, and other resources necessary to maintain and build the Costa Mesa Football program.

We are recognized as a 501(c)3 non-profit organization; therefore, your donation is fully tax-deductible. If you have any questions or need additional information, please contact the Costa Mesa Football Boosters at costamesafootballboosters@gmail.com. We look forward to having you be a part of our program.
