

# Gallatin County Chamber of Commerce

## Community Award Program

The Gallatin County Chamber of Commerce Community Award recognizes outstanding businesses, organizations, and individuals who make a meaningful impact in our community. Presented 3–4 times annually, this award celebrates leadership, innovation, service, and commitment to the growth and success of Gallatin County.

This program is proudly presented by **First National Bank of Kentucky**, whose support helps make it possible to honor those who strengthen our local economy and enrich our community.

Through this initiative, the Chamber highlights those who demonstrate excellence in their field, contribute to economic development, support community initiatives, and embody the spirit of collaboration and service.

We invite Chamber members and community partners to submit nominations and help us recognize the individuals and businesses that make Gallatin County a stronger place to live, work, and grow.

Nominees must be members of the Gallatin County Chamber of Commerce, or be employed by or represent a business or organization that is a current Chamber member.
