Part time and Standard Enrollment Options

During the summer, families can select which weeks they would like to enroll their child at Caterpillar Camp.

Families can request standard enrollment (Monday-Friday) or part time enrollment. All enrollment requests are subject to availability. All part time enrollment requests must be submitted and paired with a complementary schedule request before a child can be enrolled on a part time basis. Please be advised, if requesting to attend part time, special themed events and vendors may be scheduled only on select days of the week. To guarantee your child's attendance on all special event days, standard enrollment is suggested. If you do not select the "part time enrollment option" (if requesting to enroll less than 5 days a week) your child will automatically be enrolled Monday- Friday for the weeks you select (standard enrollment).
