

SANI-BUCKET BRACKET™

Specification Sheet

Manufacturer: Food Safety Innovation, LLC

Dimensions: 5" W x 5" L

Material: 300 series stainless steel

Installation: Wall Mounted

Warewashing: Manual and mechanical dishwasher safe

SANI-BUCKET BRACKET™ hangs from any wall with mounting hardware, securing in-use cleaning or sanitizing buckets.

*Simplifies Operations

Reclaims limited BOH shelving space.

Eliminates floor trip hazards.

Ideally installed above trash receptacles in prep areas, under bar tops or server stations.

Accommodates 3 quart, 6 quart, 8 quart or 10 quart cleaning and sanitizing pails.

*Reduces Costs

Resistant to rust with no plastic coating to flake, crack or chip.

Mounting hardware included.

*Advances Food Safety Culture

Keeps in-use chemical solutions away from food and food contact surfaces.

Safer chemical storage and use = Improved compliance.
