Sponsor Forms

In our attempts to do whatever we can to raise money for our recipient, we have contracted a fund raising outfit called Leaderboard AIRCANNON. They will be set up on a designated par 3 hole with each player taking a shot with the cannon for an additional donation, each attempting to get the closest to the pin. The winner will receive a prize from both Leaderboard and the Association. We want to thank Jason Page and Advantage Truck Group for sponsoring this portion of the day's event.
