Field Information

A field map is attached for your review. We do ask that you please be aware of your surroundings when warming up. Please refrain from warming up too close to the playground for the safety of our young kids.

We are pleased to have a great snack bar for you and your teams. Please feel free to check it out.

Parking can be a challenge and we appreciate you being respectful of our nearby residents. Parking is strictly enforced by the local sheriff's department – tickets are about \$55 for parking in a no parking zone. ☹️ Please also refrain from parking in our reserved/umpire spots.

Spirit wear

Spirit Wear can be pre-purchased and should be available for pickup at both fields. In addition, they should have limited stock on hand for purchase at the field.
