These tournaments usually require travel on a Thursday afternoon or evening and play takes place from Friday through Sunday, or Saturday through Monday. In addition, each team will compete in an end-of-the-year tournament which is a one-week event at the end of June or early July.

National Qualifiers - We are still deciding on our National Qualifiers for some teams. As stated, the listed schedule is tentative. These will be finalized in the next few weeks.

Hudl Video Service – We will be setting up team accounts for all of our 18U-13U teams. Hudl allows players and coaches to study game film, share scout video and provides stats and video breakdowns for all matches. Players/parents are also able to create highlight videos with links to send to college coaches or share online. Players will also be able to link current high school accounts (if applicable) to create highlight videos that include clips from both school and club matches. Teams will be able to assign one parent to record video which can then be accessed by all parents and players. **There will be a \$90 per player fee for this service.**

College Recruiting Coordinator - Oscar Crespo

Oscar provides a wealth of knowledge in recruiting, with over 25 years of experience coaching at the collegiate level. Prior to joining Vision, Oscar was most recently the Head Coach of the Women Volleyball Team at San Jose State University where he spent seven seasons. Prior to accepting the Spartan position, Crespo spent seven years as a member of the University of Nevada volleyball coaching staff, as an Assistant Coach and Associate Head Coach. Crespo's coaching experience also includes stints at the University of California, Berkeley (1995-98), Saint Mary's College (1993-94) and De Anza College
