Vita  
P.O. Box 1690  
Lakeside AZ 85929

We just wanted to let you know that customers calling us for flower orders are telling us that they still had flowers they received for Mothers Day which was May 10th and this is 3 weeks later.

We attribute this to using Vita Flora for our flowers.

We also soak our corsage stems in Vita Flora and customers tell us that the corsages look as fresh as the day they bought them, a week later.

Sincerely,

Colleen Chamberlain  
Manager
