We at Reggi and Michael Designs
have been using with great satisfaction the product
Vita Flora

It has done for our flowers an
excellent job in maintaining, we totally endorse
this fine product for anyone wishing to preserve
flowers for longer color life and value life.

We and all our employees consider it a
miraculous solution, we never bleach buds or
have damaged flowers, therefore the cost is minimal
and the profit margin higher.

We shall continue to use this product
in our business effectively

Thank you

Reggi and Michael Designs
