

Dear Bill,

I thank you for your product, 232. I had shingles on my lower back, and I used 232 on my shingles outbreak. My wife used a cotton ball soaked in 232 to spread 232 on my shingles. After about one week my shingles cleared up. I also use 232 on any skin problems I might have and it works wonders. Thanks again for this product.

Sincerely  
Ronald D. Smith
