## PRESIDENT'S LETTER

Dear CMSA Members, Valued Vendor Partners and Supporters,

First off, I want to send out a big thank you to all those who attended our first Virtual Continuing Education Webinar in September. Thank you to those who shared via email, printed flyers, word of mouth and social media. We had over 80 people registered and it was a smashing success! We had so many new faces and this would not have been possible without your support! Big shout out to Kari Harmon as the feedback we got on her presentation on Continuity of Care Hospital to Home Wound Care was nothing short of rave reviews.

Coming up in October will be Dr. David Chansolme Infectious Disease with Integris speaking on the 2020 Pandemic of Corona Virus. Go to CMSA-OK.org and register. And don't forget once you've received your registration email from Zoom, you can click on the link within the email to add it to your calendar. It will give you reminders as well as contain the direct link to the webinar for your convenience!

We have some exciting news to share with you! Mark Pew the "RxProfessor" has agreed to join us for our November Virtual Continuing Education Webinar in November. Some of you will remember him from presenting on Opioids at our 2018 Annual Conference, he was a big hit! Many things have changed in Oklahoma from the last we heard from the RxProfessor, medical marijuana being a big one so he has some new information to share with us.

Lastly, if you don't already follow us on social media, please give us a "like" and follow our page "Case Management Society of Oklahoma". We share lots of great information on this page and it is a great way for you to help us spread our message as well. So go forth and SHARE!!

Again, thank you to all of you for your continued support.

Stay safe, stay kind and stay strong!

## October 15th, 2020 Speaker Bio

### INFECTIOUS DISEASES MEDICINE

David Chansolme, M.D.

Dr. Chansolme is a physician, board certified in internal medicine and infectious diseases. He has been in private practice since 2004 and sees patients in both a hospital and office setting. Dr. Chansolme is from Oklahoma City and graduated from Bishop McGuinness High School in Oklahoma City in 1989. He received a bachelor's degree from Emory University in Atlanta, GA before matriculating through the University of Oklahoma College of Medicine in 1997.

He completed an Internal Medicine residency at Tulane University and was selected as a chief resident in the department of Internal Medicine. He then completed a fellowship in subspecialty training in Infectious Diseases at the University of Alabama at Birmingham, an internationally recognized institution for Infectious Diseases care.

Dr. Chansolme performed research in syphilis, bioterrorism, yersinia pestis infections, transplant related infections, HIV associated malignancies, and other fields of interest. He moved back to Oklahoma City in 2004 and opened a practice in Oklahoma City dedicated 100% to the care of patients with infectious diseases.

Dr. Chansolme serves on a number of boards around the metropolitan Oklahoma City area and is dedicated to being an active part of the community. He lives in Oklahoma City with his wife and four children.

Hello CMSA-OK Family & Friends,

CMSA-OK had its 1st of 3 webinars on September 17th and it was a huge success! Special Thank YOU to Kari Harman for her presentation, everyone learned a lot about wound care. Thank you to everyone who attended, asked questions and already signed up for the next webinar. Now for our 2nd webinar with David Chansolme MD on 2020 Pandemic – Corona Virus on Thursday October 15th. Registration is open and we look forward to an informative presentation on Covid. Learn and discuss every aspect of this virus and what is going on right now.

CMSA-OK is working hard to bring you the educational topics we have been asked about. The surveys and emails asking for your opinion is very valuable to our Education Committee. The Committee is already working on topics and ideas for 2021. The webinars offer CMSA-OK and our membership another opportunity to bring you valuable information without leaving your office or home. Education is the key to success, so let us know what you are interested in.

The pandemic has made it difficult to meet in person and we know this is hard for many of us. CMSA-OK is a social association and we miss being together. But we know this will not last forever. CMSA-OK wants to THANK YOU for keeping your membership, supporting the association through a difficult time for all. CMSA-OK has made all the 2020 Webinars FREE for members and non-members, in the hope that you see the benefit of being a part of this association. Case Managers are on the front lines right now, we appreciate and value everything you are doing.

For those who are needing more information on the Case management Society of America and the OK Chapter, please see pages 10 & 11. Being a member has so many benefits, over 100 Free Online CEUs, discount to be a CCM, newsletter, discount to the National Conference (Orlando 2021) and so much more.

Join today!

Thank you, Wendy Gerdes, Executive Director CMSA-OK

ORLANDO

Staking Our Claim in the New World

The 2021 CMSA Annual Convention will be held Tuesday, June 8 – Friday, June 11, 2021, at Disney Coronado Springs Resort in Orlando, Florida. CMSA leadership is continuing to monitor the impact of COVID-19 on in-person meetings and has determined the best course of action moving forward is a hybrid meeting including the development of an in-person and virtual format that considers the safety of our members and annual meeting participants. More information on the meeting format will come as we approach the meeting dates. We look forward to seeing you in Orlando or virtually!
