

PRESIDENT'S LETTER

Greetings CMSA Members and Supporters,

Well, it looks like spring has sprung and we will soon enter into a new season. We hope you had the chance to attend the two educational events that were held at Norman Regional Health Systems in Moore and PAM Rehabilitation Hospital in Oklahoma City. We appreciate the speakers and the sponsors for providing these exceptional opportunities.

As we enter into the summer months, we have a couple of education offerings for your consideration. Tuesday July 11th, our host will be OKLAHOMA PROTON CENTER located at 5901 West Memorial. This will be an evening event starting at 5:30pm and John Han-Chih Chang, MD will be providing an educational overview radiation treatment and services provided by his clinic and the PROTON CENTER. Drinks, hors-d'oeuvres, facility tour and 1 hour CEU will be provided.

Tuesday August 8th, our host will be Hanger Clinic located at 4207 West Memorial. The event registration will begin at 5:30pm and our speaker will be provided by Select Physical Therapy. The topic will be pelvic floor conditions, treatment and therapy. Dinner and 1 hour CEU will be provided.

Our annual education conference, "The Construction of Case Management" will take place on November 14th and 15th at the Embassy Suites in the downtown medical district located at 741 North Phillips Avenue. On Tuesday November 14, we will host our annual ethics workshop providing 3 hours of ethics CEU. On Wednesday, November 15, we have a full day planned for our attendees. Our dear friend and faithful supporter, David Chansholme, MD will begin our day with an infectious disease update for 2023. We will also offer presentations from Oklahoma Forensic Center; Crystal Hernandez will be speaking about the diagnosis and treatment of Autism. Jordan Pope, MD with Just Kids Pediatrics will speak about Pediatric Health Care. Brandon Valantine, DO with INTEGRIS Health will speak about Spinal

Cord Stimulators and Tamara Clift, RN will cover the current changes in hospital case management. Suzanne Williams, MCJ will address caring for the homeless population and gynecologist Rachelle Wilson's presentation will be Sex is Good, But Can Always Be Better. Ending the day, Brandon Hull, MD with OU Medical Center will address Orthopedic Trauma and Ashley Sale, PAC with Bariatric Partners of Oklahoma will cover options for bariatric treatment and proper medically supervised weight loss. The speaker committee has worked diligently to provide you with an exceptional line-up of speakers for this year's conference. We hope you will mark your calendar and make time to attend.

There is no way possible to provide our members with this conference without the support of our faithful sponsors and exhibitors. The exhibitor and sponsor registration brochure will be sent out in June. We will offer over 60 exhibit spaces and many sponsorship opportunities for you to consider. Historically we have sold out of exhibit spaces at every conference so keep an eye out for the registration brochure and act quickly to secure your spot. The registration brochure for attendees will be sent out later in the year. We will have scholarship opportunities if you know of someone who will benefit from the conference content but needs a little help to get there. Please let us know if you have any scholarship applicants.

We will have several Board of Director positions that will be available this year. The CMSA-OK board members serve a term of three years. We are so fortunate to have a wonderful Board of Directors. If you would be interested in serving as a board member, please reach out to me. You can call me on my cell at 405-474-5050 or you can email your resume to rfuxa@hpillc.org. I look forward to visiting with anyone who has interest in serving as a member of the Board of Directors.

If you have any questions regarding the education events, conference, sponsorships or Board of Directors, please do not hesitate to visit the website or reach out to any of your board members. We are here to support you and case management in the OKC metro area. See you in November!

Robert Fuxa
CMSA-OK President

EXECUTIVE DIRECTOR'S LETTER

Hello, CMSA-OK Members and Supporters,
My name is Beth Taylor, and what a pleasure it has been to join such an amazing organization as CMSA-OK. Initially as a supporter through my husband and I's business, Taylor Physical Therapy, and now as the Executive Director assisting the Board in continuing to grow the membership and improve its benefits for you.

The first half of 2023 provided a wonderful opportunity to meet many members and supporters through our educational events. We appreciate all who have attended and sponsored these events and with two more slated for the year, we hope to see our attendance numbers continue to grow. Our educational events are beneficial opportunities for you, serving as a great way to network and obtain CEUs.

Our grand finale will be our annual conference November 14th – 15th, and we are excited to see all of you there. I'm so thrilled for this year of service as your Executive Director and for all the adventures it will bring. Let's do this!

Sincerely,
Beth Taylor
CMSA-OK Executive Director
