Sinseridad ni Ping

PASPASAN na ang panliligaw ngayon ng mga pulitiko sa mga botante. Busy na sila sa pagpunta sa maraming lugar sa bansa kaya nalalabag na ang health protocols. Subalit wala namang magagawa ang mga kandidato dahil kagustuhan ito ng followers nila. Lahat nang pulitiko ay magaganda ang mga pangako kung sila ay papalaring manalo. Gaya ng pagsugpo sa korapsiyon at droga, pagkakaroon ng hanapbuhay, pabahay at programang pangkalusugan lalo ang may kaugnayan sa COVID-19. Walang tulak-kabigin sa presidentiables.

Ang masakit lang ay yung puspusan ang pagpunta ng isang kandidato sa maraming lugar pero hindi pa tiyak kung madidiskuwalipika o hindi ang kandidatura. May kinakaharap kasing masalimuot na kasong nakasampa sa Commission on Election. Gaya ni Bongbong Marcos na kawing-kawing ang reklamong nakasampa sa Comelec. Hindi pa tiyak kung ano ang magiging kapalaran ni Bongbong dahil kasalukuyan pang dinidinig ang reklamo sa Comelec.

Ang pambato naman ni Digong na si Sen. Bong Go ay umatras na sa pagka-presidente dahil umano sa kahilingan ng kanyang pamilya. Hindi pa raw panahon niya. Kaya sa pag-atras ni Bong Go, katanungan ngayon kung sino ang iendorso ni Digong. Tanging si Digong ang makakasagot nito.

Kapag inihayag ni Digong ang kanyang susuportahan, mahahati ang boto ng mga oposisyon na sina Vice President Leni Robredo, Manila Mayor Isko Moreno at Sen. Ping Lacson. Ang boto ay maaaring mapunta sa susuportahan ni Digong.

Pero hindi dapat maging kampante kung sinuman ang kandidatong susuportahan ni Digong dahil habang papalapit ang halalan, lumalakas ang partido nina Ping Lacson at Tito Sotto. Nakikita ang sinseridad ni Ping sa pagkapresidente. Matigas ang paninindigan ni Ping na kakalusin ang mga korap, drug syndicates at mga criminal.

Noong PNP chief pa si Ping, nilumpo niya ang -gambling lords sa buong bansa dahil sa walang humpay na pananalakay. Tinanggal niya ang mga abusadong pulis kaya bumango ang imahe ng PNP. Kaya kung papalarin si Ping, makakamtan ng taumbayan ang pagbabago na matagal na nilang inaasam. At para mas malakas ang puwersa ni Ping, isama n'yo na rin si dating PNP chief Gen. Guillermo Eleazar bilang senador. Makakatulong siya ni Ping dahil action man ang taong ito.

Calabarzon, ...

mga nabakunahan sa Calabarzon sa unang dalawang araw ng Bayanihan Bakunahan.

Sa isang pahayag, sinabi ni DOH 4-A Regional Director Ariel Valencia na ang tumataas na bilang ng pagbabakuna ay patunay ng tumataas na tiwala ng publiko sa mga bakuna kontra Covid-19.

"These figures only shows that people are already acknowledging the importance of Covid vaccines to their health. Mas maraming taong nababakunahan, mas magiging protektado ang ating mamamayan laban sa Covid virus," pahayag ni Valencia.

Dagdag pa ni Valencia, bukod sa target na itinakda ng NVOC ay nagtakda rin ang DOH 4-A ng 'realistic goal' na 340,000 bilang ng mga nababakunahan kada araw.

"We have set a realistic goal of at least 340,000 vaccinees daily during the 3-day NVD in order to cover all the unvaccinated eligible populations in the provinces, especially those in GIDA communities," dagdag ni Valencia.

Tiwala ang DOH 4-A na malalagpasan pa ng mga lokal na pamahalaan ang bilang ng mga nabakunahan sa pagpapatuloy ng Bayanihan Bakunahan ngayong Miyerkules, Disyembre 1 na higit na makakatulong upang makamit ang target na herd immunity sa rehiyon. — FC

Palace urges LGUs to accept walk-ins in 'Bakunahan 2'

By Azer Parrocha

MANILA – The second round of the national vaccination against Covid-19 can accommodate more if walk-ins will be allowed in all local government units (LGUs).

Cabinet Secretary Karlo Nograles, acting Presidential spokesperson, said it is among the suggestions for the second "Bayanihan, Bakunahan" drive from December 15 to 17.

"Siyempre iyong sinasabi namin na mga improvements like accommodating walk-ins. But the process, it's really up to the LGUs and then kung paano iyong proseso. Ang paki-usap lang namin ay magkaroon ng sistema also for walk-ins (Of course, we're saying there should be improvements like accommodating walk-ins. But as for the process, it's really up to the LGUs and then how the process would be done. Our appeal is that there should be a system for walk-ins)," he said in a radio interview on Sunday.

Citing President Rodrigo Duterte's directive, he said LGUs are encouraged to extend their average 12-hour operating time until there are still people queueing up to for jabs.

"Direktiba rin po iyon ng Pangulo. Ang sabi nga niya basta may nakapila pa diyan, nandoon pa sa linya, may nag-aantay pa eh huwag ninyo pong isara ang vaccination sites (That's the President's directive. He said that as long as someone is waiting in line, don't close the vaccination site)," he added.

Duterte suggested keeping vaccination sites open daily to accommodate more.

Nograles said LGUs may also want to consider enhancing their house-to-house efforts for senior citizens and persons with comorbidities.

"Several or many of the LGUs ay gumagawa po ng mga house-to-house. Kung lahat po ng LGUs ay magkaroon ng ganiyang klaseng initiative especially para sa mga senior citizen natin at iyong mga, those with comorbidities, mas maganda po iyan (Several or many of the LGUs conduct house-to-house vaccination. If all LGUs do the same initiative especially for senior citizens and those with comorbidities, it would be even better)," he said.

Meanwhile, Nograles reminded the public to refrain from being selective over vaccine brands,

"Kailangan paulit-ulit po nating banggitin at i-remind ang lahat 'no na wala na dapat iyong brand preference. Kung ano pong mayroon diyan, iyan pong lahat ng mga vaccines po natin ay safe and effective po para sa lahat (We need to repeatedly remind the public that there should be no brand preference. The vaccines we have are all safe and effective for everyone)," he said.

The first "Bayanihan, Bakunahan" on November 29 to December 1 inoculated 8 million recipients.

The extension for two more days in some LGUs raised the count to 9.9 million, enabling the government to exceed its target of 9 million. (PNA)

Mendez town now connected thru free Wifi access

Trece Martires, Cavite (PIA) – The upland town of Mendez-Nuñez will now enjoy free WiFi connectivity in several public locations in the town thru the LINKod Kabitenyo Free WiFi program of the provincial government.

The said program aims to provide free internet access thru wifi connection for use of the students, teachers, frontliners, and all Caviteños who wish to learn and be updated with informative facts.

There will be three (3) access points for every Barangay in the locality for an expansive and better internet connection.

Five of the public schools in the town: Mendez Central School, Galicia Elementary School, Panungyan Elementary School, Anuling Elementary School, Palocpoc National High School and Palocpoc Elementary School have been installed with access points for the free WiFi service.

The local government headed by Mayor Fredderick Vida is grateful to the Cavite Provincial Government for prioritizing the Mendez-Nuñez town for this project because this would be a very big help to the students and teachers who are adapting to the New Normal mode of education thru online classes, and may be used for work-related purposes as well.

The LGU is currently coordinating with the Provincial Government for the installation of access points in all of the remaining schools in the town. (RBF/PIA-Cavite)
