

Imus CASO launches Project Punla, LGU initiative for food sufficiency

IMUS CITY, Cavite (PIA) — The local government thru the City Agriculture Services Office (CASO) launched recently the Project Punla, the city government's main response in ensuring food sufficiency and adequacy level during emergency situation.

According to the Imus Public Information Office (PIO), the project has a Plant, Plant, Plant Program concept

version and development of idle lands, and vacant lots into organic vegetable farms to ensure sustainable food production at a high sufficient level thru Gulayan sa Paaralan Program mushroom production, and the establishment of Gulayan sa Barangay (Communal Gardening).

The City Government of Imus spearheads the implementation of Project Punla with the full support of the City Mayor's Office, City Agricultural Services Office, City Information Office, City Tourism and Development Office, Farmers/Land Owners, Homeowners' Association, Department of Education, and the Senior Citizens.

Through program, the farmers in the city as well as the less privileged, and other interested Imuseños will have a new source of living that would ensure a decent and healthy life by growing healthy and nutritious food. (Ruel Francisco, PIA-Cavite with reports from Imus PIO)

which aims to increase the city's agricultural production particularly rice and vegetables, through intensified use of quality seeds, appropriate inputs, and modern technologies to increase and ensure level of productivity, availability, accessibility and affordability.

For its immediate program, it will focus on the farmers who are engaged in rice and vegetable production that can immediately respond to the food supply needs of the city.

Meanwhile, for the backyard gardening or small-scale farming such as container and vertical-gardening are the focus for the medium term program.

The long-term program will focus on the con-

Groundbreaking, project signing for new CAVITEX C5 Link segments

TRECE MARTIRES CITY, Cavite -- Cavite Infrastructure Corporation (CIC), the concessionaire of the Manila Cavite Expressway (CAVITEX), and the Philippine Reclamation Authority (PRA) held a groundbreaking ceremony for the two (2) new segments of the Cavite C5 Link Expressway July 10, 2020

During the event, the joint venture partners have also signed a contract with the consortium of A.M. Oreta & Company, Inc. and China Harbour Engineering Company Ltd. for the construction of Segment 2 and Segment 3A-2.

The construction agreement was signed by Mr. Roberto V. Bontia (CIC President and General Manager), Mr. Christopher C. Lzo (Chief Operating Officer of CIC and Chief Finance Officer of Metro Pacific Tollways Corporation), Mr. Xiarun Chu (Country Manager, China Harbour), Mr. Artemio Santos (Authorized Managing Officer, AM Oreta), and Mr. Raul V. Manlapig (Managing Director, Ove Arup).

AM Oreta and China Harbour welcome the partnership with CIC and the PRA.

"We are happy to work with CIC and the PRA in helping the Philippine economy by means of faster and convenient land travel," said Mr. Chu.

Likewise, Mr. Santos of AM Oreta shared the same insight saying, "This collaboration will alleviate the plight of the motoring public by easing vehicular movement in several key economic areas."

Public Works & Highways Sec. Mark Villar;

Parañaque City Mayor Edwin D. Olivarez; Parañaque City First and Second District Representatives Eric D. Olivarez and Joy Tambunting; Atty. Janilo Rubiato, PRA General Manager, and Mr. Rodrigo E. Franco, President of Metro Pacific Tollways Corporation (MPTC) were among the VIPs in attendance in the event.

The Cavite C5 Link Expressway is a 7.70 kilometer dual three-lane expressway that runs from R-1 Parañaque Toll Plaza to C-5 Road in Taguig with Segment 2, a 1.9 kilometer expressway that will run from R-1 Expressway to Sucat Interchange while Segment 3A-2 is the 1.6 kilometer expressway that will run from Merville to RSG Sub-division in Parañaque.

These segments are expected to be completed by the second quarter of 2022 and anticipated to reduce travel time to Makati and Taguig cities from the cities of Parañaque, Las Piñas, and Cavite province by 30 minutes, and play a huge role in economic development.

DPWH Sec. Mark Villar said, "These projects

will decongest EDSA and Sales Road in Pasay City by about 50,000 vehicles per day, and connect major business districts in Taguig and Makati to Parañaque, Las Piñas, and Cavite."

"Continuing with BBB (Build, Build, Build) activities will help spur economic growth to get us back on track from the effects of the pandemic," Villar added.

MPTC officials Mr. Franco and Mr. Bontia highlighted the significant benefit the completion of these projects will bring to the economy and to the country as well.

Mr. Franco said, "These new segments will play a huge role in our national recovery, as we continue to seek ways to help the Filipino people cushion the impact of COVID-19."

Similarly, Mr. Bontia shared, "Once operational, Segments 2 and 3A-2 of CAVITEX C5 Link Expressway will help provide fast, safe, and efficient movement of people and goods, and

create at least 1,000 new jobs in construction, operations and maintenance." (Ruel

LGU Bacoor amends EO 24 for expansion of Zapote 1-P Critical Zone

Bacoor City, Cavite (PIA) -- The local government here led by Mayor Lani Revilla ordered the amendment and expansion of the localized lockdown of Barangay Zapote 1-Proper Critical Zone and containment of the households of COVID-19 positive patients effective 12 noon of July 11, 2020 up to 5am of July 24, 2020.

This developed after the RT-PCR (Real Time-Polymerase Chain Reaction) testing in said area resulted to a clustering of a total of 19 confirmed cases by July 9, 2020, out of which 3 had died, and 16 are active cases plus several symptomatic suspects and probable cases who were reactive in their rapid anti-body tests.

With the said order, the total of the Zapote 1-P CrZ now consists of more than 1,500 households with boundaries moved to Rosal St., on the northwest (NW), Aster Extension on the northeast (NE), Campuput

St., on the southwest (SW), and Camia St. on the southeast (SE) including the old Zapote market area and the Sampalukan area which consists of 400 families.

The order also states that the Zapote 1 Barangay Health Emergency Response Team (BHERT), in coordination with the City Health Office (CHO) and the City Contact Tracing Team (CTT) shall continue to carry out inventory and surveillance of the concerned households in this critical zone, conduct case finding and investigation in search of more household members

having symptoms.

A Strict Stay at Home Order for all residents which means that no one, not even Authorized Persons Outside Residence (APOR) will not be allowed to leave their homes with all Quarantine ID Passes of households within the containment area are suspended.

The local government will provide food packs that

PAGLOBO NG KASO NG COVID-19, 'DI DAPAT ISINASAWALANG-BAHALA

Nakagugulat pero ito po ang totoo, nasa humigit-kumulang 34,000 na po ang kumpirmadong kaso ng COVID-19 dito sa ating bansa at patuloy pang lumalakit sa bawat araw na lumilipas. Nasa GCQ na po ang NCR, kaya kapag kayo po ay nasa labas, pansinin po ninyo. Marami ang hindi gumagamit ng face mask na para bang ayos lang ito sa kanilang sarila. Hindi nila iniisip ang kalagayan ng panahon. Para rin bang wala sa kanilang isipan na mayroong epidemya rito sa ating bansa.

Nagawi po tayo sa Quiapo, Maynila at

may napansin po tayo sa ilang mga tao rito. Naku!!! Ang dami palang hindi gumagamit ng face mask. Kung may face mask naman, nasa baba nila ito at hindi nakatakip sa ilong at bibig. Kulang po talaga ang mga tao sa pag-iingat. Ang habang tumatagal ang epidemyang ito at walang pag-iingat, huwag po tayong magtakang aabot sa daang libo ang kaso ng COVID-19. Kung may halaga po ang inyong buhay at mahal ninyo ang inyong pamilya, dobleng pag-iingat ang dapat ninyong gawin. Sa panahong ito, kapag nahawaan kayo ng corona virus, wala po kayong magagawa kundi

hintayin ang katapusan ng inyong buhay. Ang dobleng pag-iingat po natin ay mahalaga ngayon, kaya, dapat po natin itong gawi Ang buhay nating hiram sa Diyos at dapat nating bigyang-halaga at mahal. Kaya kung wala po tayong pag-iingat sa ating mga sarili, maaaring mangyari ang 'di po ninyo inaasahan.

Sa totoo lang po, hindi po basta-basta lang ang corona virus na ito na bigla na lang dumadapo sa katawan ng isang tao kapag nalanghap niya ito. Hindi po natin ito nakikita. At marami pa pong barangay ngayon ang naka-lockdown o hard

lockdown. Kaya kung nasa labas kayo at naglalakad, huwag po ninyong kalimutang gumamit ng face mask at mag-alcohol palagi. Huwag po ninyong pairalin ang mga salitang, "Kung mamatay eh mamatay dahil katapusan mo na ang araw na iyon." Kaya po talaga lumolobo ang kaso ng COVID-19, iyan ay dahil sa katigasan ng ulo at pagiging pasaway ng mga tao. Pag-unawa at pagsunod sa mga patakaran ang tamang gawin habang laganap pa rin ang corona virus.

Lagi po nating tatandaan at isaisip na ang dobleng pag-iingat sa panahong ito ay dapat nating gawin. Kaya kung kayo po ay maraming anak, lagi po ninyo silang gabayan at bigyan ng sapat na pangaral upang hindi sila mapahamak at maiwasan na rin ang sakit na dulot ng COVID-19. Masakit po ang mawalan ng mahal sa buhay.

pagpapaganda ng isang lungsod. Nagagawa kasi nila ang kahit anong gusto nila sa isang plaza. Katulad ng pagtulog nila sa upuan ng plaza, pagkakalat, at paglalagay ng mga kalakal na kanilang inipon. Hindi kasi magandang tignan sa mata ng mga namamasyal. Hindi rin sila matunong mahiya at gagawin nila ang kahit anong ikikilos nila. Kaya naman kapag nag-operation ang isang chairman upang linisin ang plaza ay lumalayo lamang ang mga tambay at kapag wala na ang mga opisyal ng barangay ay balikan ulit sila sa dati.

Ano nga ba ang dapat gawin sa mga tambay na ito? A bakit patuloy ang pagdami nila? Saan-saang lugar ba sila nanggaling? Kahit ang mga punong-barangay ay sumusuko na rin sa pagtataboy sa kanila. Ang DSWD lang siguro ang pwedeng makagawa ng aksyon upang magtulungan sila at mabigyan ng maayos na pamumuhay.

Bong Go's E-governance

THE call of Sen. Bong Go to government departments and agencies to avail of new information and communication technologies is not only part of the solution to mitigate the spread of the new coronavirus but will curb corruption in the government bureaucracy. The other ultimate advantage is efficiency in government service.

Information technology had been with us but sadly you can count on your left-hand fingers the number of government agencies that migrated their systems from the traditional person-to-person to no-contact transactions.

A good example of an excellent government online transaction is the application and processing of registrations and issuance of certifications of government contractors with the Philippine Government Electronic Procurement System (PHILGEPS) of the Department of Budget and Management. Everything is done through the internet and just about the only time an applicant leaves office or home is to pay the registration fee with any Land Bank branch. Registration Certificates can be downloaded and printed by applicants.

For years we had been hearing of virtual transaction projects in graft-prone agencies like the Bureau of Customs and the Bureau of Internal Revenue. But for reasons which can only be attributed to the perpetuation of graft this plan never saw fruition. Personal negotiations are the order of the day. A classic example is the tax assessment of ABS CBN which ran into billions but later left the government with a picayune because person-to-person negotiations ended up with a "happy compromise" agreement.

Perhaps Sen. Bong Go should nudge the Department of Science and Technology from virtual lethargy and put this to the task to make a digital template that would address the requirement and nuances of each department in the government. The Senator hits several targets starting with his primary objective of reducing person-to-person contact which would effectively control the spread of coronavirus. Online transactions will likewise curb corruption and increase the efficiency of government service.

MGA PUNONG-BARANGAY, PROBLEMADO SA MGA TAMBAY

Hello po mga ka-barangay! Kumusta na po ang isang linggong nagdaan sa inyong lugar? Alam po naming karamihan sa inyo ay problemado pa rin sa pang-araw-araw na gastusin dahil hanggang ngayon ay marami pa ring walang trabaho at umaasa na lang sa ayuda ng ibang tao at ng gobyerno. Pero huwag po kayong mawalan ng pag-asa sa buhay dahil habang tayo ay nabubuhay, mayroon pong pag-asang makakamtan. Sa muli nating pag-ikot sa bawat barangay ay nagawi po tayo sa Maynila. Halos lahat ng mga plaza ay maraming mga tambay at

parang doon na rin sila natutulog. Kaya't may isang taong nakatira sa lugar na iyon na ating kinausap. Ay ayon sa kaniya, problemado raw ang kanilang punong-barangay sa mga tambay na ito. Hindi raw sila maitaboy dahil sa awa at wala na silang pupuntahan. Mayroon po tayong DSWD na dapat kumalinga sa kanila. Mula raw noong nagkaroon ng COVID-19 ay nawala ang mga tambay, pero nang mag-GCQ na ay dumami na sila. Galing pala sila sa iba't ibang mga lugar. Sa plazang ito sila namamalagi. Ngayon, ang punong-barangay ang nagkaroon ng problema

kung paano sila maibabalik sa kani-kanilang mga lugar. Halos lahat pala ng mga plaza ay ganito ang sitwasyon. Bakit nga ba dumarami ang mga tambay? Ang masaklap pa nito ay gumagawa pa sila ng mga kalokohan para lang matustusan ang kanilang pag-araw-araw na pangangailangan. Aba... problema nga ito kung gumagawa pa sila nito. Dapar sigurong iparating na ito sa ating butihing Mayor Isko Moreno upang mabigyan sila ng agarang aksyon.

Sa totoo lang, ang mga tambay ang sagabal sa

A re-publish of my post last June 7 (dahil very HOT ngayon ang topic na ito sa social media):

Is trash talking enough to threaten and subject netizens to an inquest? Social media is full of this. How can one discern words with ill-intent from that of a joke? Dissent and varying opinions are the very fabric of our political culture. We are a better nation because we are able to freely express ourselves, responsibly.

I am man enough not to be overly sensitive nor be easily offended. I would rather focus on bigger problems such as effectively managing the COVID crisis, supporting education, Caviten~os who have lost their jobs, transportation and unite the people by working on effective solutions towards recovery.

Sa panahong ito, mas nararapat na tayong mga namumuno ay makinig at unawain ang hinaing ng mga tao. Huwag nating gamitin ang kamay na bakal para pwersahin ang kapangyarihan laban sa ating mga pinamumunuan.

Carmona LGU reiterates the importance of using Carmona Digital Contact Tracer App to barangays

Municipal Mayor Roy Loyola conducted a meeting with the Municipal Government's Information Technology Unit, Municipal Health Office, Carmona Municipal Police, and barangay captains on July 16, 2020 at the Municipal Penthouse to remind the community on the importance of using the Carmona Digital Contact Tracer App which aims to log interactions and locations for easier contact tracing.

Due to the continuous increase of confirmed COVID-19 positive cases in our town, your servant met again with IT Unit, MHO, PNP, and the barangay captains to remind our countrymen of the importance of installation and installation use of Carmona Digital Contact Tracer app. This aim is to help with contact tracing because of its feature of log interactions.

Once again, reminding everyone to follow the rules of General Community Quarantine and cooperate with the Town Government programs like using the Carmona Digital Contact Tracer app.

Carmona Mayor Roy Loyola conducts inspection on possible locations for additional isolation facilities

Municipal Mayor Roy Loyola visited the CarSIGMA Gymnasium and Carmona Baseball Park for an inspection on July 16, 2020 at Barangay Lantic. These infrastructures will be possible isolation units in case there would be an increase of COVID-19 cases in the municipality.

DA interventions help Silang ornamental plant growers, farmers

SILANG, Cavite (PIA) -- The Department of Agriculture IV-A (CALABARZON) continue to help farmers affected by the Taal Volcano eruption in early January of this year in the region including the Silang ornamental plant growers.

Under its Taal Recovery and Rehabilitation Program, the DA distributed black nets and UV plastic to 401 members of the Federation of Silang Ornamental Growers July 14, 2020.

Silang Municipal Agriculture Office (MAO) head Adela V. Poblete led the distribution of interventions as part of the ongoing utilization of the Quick Response Fund of the DA to help revive the livelihood of the farmer beneficiaries.

"This is a great help for the booming ornamental industry in the municipality of Silang," Ms. Poblete said.

Mr. Anselmo Noveno, an ornamental plant grower in the town was so grateful for the interventions by the DA.

"Noon pa man ay tumutulong na ang DA sa mga ornamental plant growers, lalo na noong naapektuhan kami ng pagputok ng bulkan. Nagagalak po kami na yang mga natanggap naming plastic, seedlings, at organic fertilizers ay nadagdagan pa. Malaking tulong po ito sa aming pamilya lalo na nga na nasa quarantine period pa rin po tayo," he shared.

(The DA has always been helping us ornamental plant growers, especially when we were affected by the volcanic eruption. We are pleased that the plastic, seedlings, and organic fertilizers we received have increased. This is a big help to our family especially now that we are still in the quarantine period.)

A similar activity was held June 3, 2020 thru the

tine and other residents.

Lilibeth Pudadera, a housewife who received free vegetable seedlings said, "Thank you so much DA Calabarzon for the vegetable seeds you are continuously distributing. Kahit papaano ay nakakawala ng stress ang mag urban gardening lalo na ngayong pandemya at may aasahan pa kaming makakain, makalipas pa ang ilang araw. We will support Plant,Plant,Plant program all the way. May God bless us all."

(Urban gardening somehow relieves our stress especially now that there's a pandemic and we will have something to eat after a few days.)

Aside from mentioned interventions, farmers can also avail of crop loans under the SURE-AID credit loan by the Philippine Crop Insurance Corp. (CIC), free cocoa seedlings with training for cocoa farming, and other planting materials. (Ruel Francisco, PIA-Cavite with reports from the official FB page of the Municipal Agriculture Office - Silang)
