By: Cesaree Caperare

D O S T - CALABARZON, Southern Tagalog Consortium for Industry and Energy R&D

(S T C I E R D) , and Intellectual Property Office of the Philippines (IPOPHL) joined forces in bringing the 3-day “Training on IP Basic Information and Patent Drafting” to all STCIERD member agencies, state universities and colleges, private higher educational institutions, and National Government Agencies last December 1, 3, and 6. The event was joined by 31 participants. Its purpose is to enhance understanding of the basics of intellectual property and to coach members on how to prepare and submit patent applications.

Dr. Tirso Ronquillo, the new Chairperson of STCIERD and President of Batangas State University formally opened the event by

encouraging the participants and putting weight on how each work contributes to the general placement of the country concerning Intellectual Properties,” Philippines is lagging behind compared to the “giants” in terms of IP – China and other countries, so we need to do more.” Dr. Ronquillo puts a premium on the importance of introducing this “new technical knowledge” to STCIERD members especially the HEIs.

The lecture kicks off with Engr. Maria Teresa Laggui’s, IP Field Operations Specialist, discussion on copyright emphasizing on what is it exactly, what kind of works or Intellectual Properties are protected by it, how to register, and the rights of the owner.

Experts from the Intellectual Property Rights Office of the Philippines

(IPOPHL), Engr. Emmanuel M. Mendoza, IP Field Operations’ Area Manager for North Luzon, and Engr. Eric Paden, Patent Examiner and IP Field Operations Area Manager for Visayas, IPOPHL went to the depths and comprehensively tackled IP Foundation Course, Patent Information, Patent Search and Documentation, and Patent Drafting and Preparation of Specification to which STCIERD members enthusiastically attended together with their potentially patentable works.

The third day was on the interactive and collaborative side as our experts and participants worked hand in hand in examining and assessing the patentability of their works. They also rendered advice and guidance on the entries, paperwork, process, and gave out other important details subjective to each specific technology.

PVNSCA recognizes outstanding Calabarzon Covid-19 volunteers

By Patricia Bermudez

CALAMBA CITY (PIA) – Volunteers who dedicated themselves in serving the public amid the Covid-19 pandemic were recognized for their contributions during the recent Calabarzon Search for Outstanding Covid-19 Volunteers held on Friday, December 10.

Chaired by the National Economic Development Authority (NEDA), the Search for Outstanding Covid-19 Volunteers aims to recognize outstanding Filipino volunteers and their contributions in empowering communities and promoting volunteerism.

Philippine National Volunteer Service Coordinating Agency (PVNSCA) Executive Director, Donald James Gawe was present during the virtual ceremony to thank the volunteers for their work.

“Volunteers are everywhere. The more we exercise our capabilities, the more volunteerism becomes our way of life. You have done an excellent but truly a challenging job in selecting our awardees,” Gawe said.

The St. Thomas Academy Alumni Association, Inc. was recognized as the Outstanding Regional Covid-19 Volunteers among the nominated organizations who rendered their service amid the pandemic.

Among their contributions was the STA vaccination site which allowed them to reach more than 20 barangays and benefitting around 100 women of reproductive health services.

Meanwhile, Adelina S. San Miguel was recognized as the Outstanding Regional Covid-19 Volunteer among the individuals who were nominated for the said recognition.

“One of the advocacies I practice is the grassroots program for those who cannot afford tennis lessons and buy their equipment. I provide scholarships for disadvantaged children in public schools,” San Miguel said of her work.

San Miguel was endorsed by the local government unit and the community she works with for the said nomination.

Meanwhile, Civil Service Commission Calabarzon Regional Director Karin Litz Zerna thanked the volunteers for their part in implementing government programs in their communities.

“Do volunteer work for the common good. Our special thanks to the PVNSCA for sharing your inspiring words. Please continue people doing good in the implementation of government programs,” Zerna encouraged the volunteers. (PB)

PH receives add'l 1M Moderna vax doses from Germany

By Ma. Teresa Montema

MANILA – A total of 1,062,100 doses of the Moderna Covid-19 vaccine donated by the German government through the COVAX Facility arrived Sunday afternoon.

Later, another 535,300 doses will be delivered at about 10:15 p.m., also via Singapore Airlines, to complete 1,597,400 donated doses while private-sector procured 663,400 doses of AstraZeneca jabs will arrive at 7:30 p.m.

"We have another example today how important vaccination is and I think the Philippines is on a very good way on its vaccination program and Germany is very happy to support the Philippines for the fantastic vaccination program," German Embassy Economic Counsellor George Maue said in an interview.

Department of Foreign Affairs – Office of European Affairs Deputy Assistant Secretary Rosario Lemque thanked Germany and all other European partners of the country that continue to donate their Covid-19 jabs.

So far, the national government has already administered over 100 million Covid-19 vaccine doses since March, with at least 43 million already fully vaccinated as of December 16.

"Unicef (United Nations Children's Fund) is very happy to be joining and supporting the DOH (Department of Health) in terms of the procurement and delivery of the vaccines through the COVAX Facility which allows access to vaccines for all," Unicef Nutrition manager Alice Nkoroi said.

The Philippines also received 1,020,500 doses of Moderna vaccines from the German government on Friday, part of around 9.9 million donations pledged by European Union members this year. (PNA)

DUTERTE, IPINAG UTOS SA DOE AND MABILIS NA PAGBABALIK NG KURYENTE SA MGA NAAPEKRUGAN NG BAGYONG ODETTE

Inatasan ni Pangulong Rodrigo Duterte ang Department of Energy na unahin ang pagbabalik ng suplay ng kuryente sa mga lugar na sinalanta ng Bagyong Odette (Rai), ayon Cabinet Secretary Karlo Nograles nitong Linggo.

Batay kay Nograles na wala pa ring kuryente ang ilang lugar, partikular ang Dinagat Islands.

"Number one, ipa-address agad sa Department of Energy (DOE) ang problema sa kuryente nu'ng mga walang kuryente," saad ni Nograles sa naging interbyu sa kaniya sa Super Radyo dzBB, nang tanungin tungkol sa mga direktiba ni Duterte pagkatapos ng pagbisita sa Bohol.

Dagdag pa niya, inutusan din ni Duterte ang Department of Information and Communications Technology (DICT) na maglagay

ng napakaliit na aperture terminal (VSAT) equipment sa Siargao gayundin ang mga satellite phone upang matiyak ang koordinasyon sa Office of the Civil Defense para sa pagtugon sa kalamidad.

"In fact, yung DICT may have an emergency cooperation system... at ideploy na sa Siargao."

Dahil nakompromiso ang ilang evacuation centers, sinabi ni Nograles na magbibigay ang gobyerno ng

mga community tents sa Dinagat Islands, kung saan karamihan sa mga evacuation sites ay nasira.

"So yung mga community tents para sa mga nasirang evacuation sites natin, magpapadala ang gobyerno do'n," sabi Nograles.

Inatasan din ni Duterte ang Department of Agriculture na tugunan ang pangangailangan ng mga mangingisda na ang mga bangka ay sinira ni Odette, aniya.
