CARD RBI recognized at LANDBANK's Gawad TANYAG Awards 2026

CARD MRI Rizal Bank, Inc. (CARD RBI) ay pinarangalan bilang Gawad Partner Financial Institution (PFI) Outstanding Rural Bank sa ginanap na Gawad TANYAG Awards bilang bahagi ng pagdiriwang ng ika-63 anibersaryo ng Land Bank of the Philippines (LANDBANK) noong Agosto 8, 2026.

CARD RBI President/CEO Lyneth Derequito (second from left) receives the Gawad Partner Financial Institution during LANDBANK's Gawad TANYAG 2026 ceremony.

Ipinagkaloob ang pagkilala bilang pagpupugay sa patuloy na pagsisikap ng CARD RBI na gawing mas madaling maabot ng mga underserved communities ang mga serbisyong pinansyal, gayundin ang pagbibigay ng mas maraming oportunidad sa mga pamilyang Pilipino.

Ayon sa CARD RBI, ang parangal ay sumasalamin sa dedikasyon ng mga empleyado nito at sa patuloy na pagtitiwala ng kanilang mga kliyente. Nananatiling bahagi ng misyon ng bangko ang pag-abot sa mas maraming Pilipinong hindi pa ganap na nakikinabang sa mga serbisyong pinansyal.

Ang pagkilalang ito ay nagsisilbing dagdag na inspirasyon sa CARD RBI upang higit pang palawakin ang mga serbisyong pinansyal at makatulong sa pagpapaunlad ng kabuhayan ng mga komunidad sa buong bansa.

Congratulations, CARD RBI, sa isang makabuluhang pagkilala sa inyong patuloy na serbisyo para sa mga Pilipino!

PhilHealth-13 pays P589-M in July claims

PhilHealth
Your Partner in Health

BUTUAN CITY – The Philippine Health Insurance Corporation-Caraga Region (PhilHealth-13) reported Tuesday that it paid a total of PHP588.84 million in claims to health facilities throughout the region in July.

The disbursement covered 45,474 processed claims from hospitals and clinics during the month.

"Driven by our mission to provide responsive and timely service, our team achieved an average turn-around time (TAT) of just 6.28 days," PhilHealth-13 said in a statement.

It said the regional TAT significantly outperformed the national average of 10.19 days.

"PhilHealth-13 remains steadfast in its commitment to supporting

SSS continues support to the local market as part of nation building while exploring international investments to balance portfolio

QUEZON CITY, – The Social Security System (SSS) announced today its plan to expand its investment portfolio in foreign markets while continuing to actively participate in the domestic capital markets, as part of its strategy to diversify assets, enhance returns, and strengthen the long-term sustainability of the pension fund.

SSS President and Chief Executive Officer Robert Joseph M. de Claro said the SSS' improved financial position provides greater capacity to pursue investment opportunities while continuing to contribute to nation-building through investments in the domestic market.

"We are very conservative, but at the same time, we are also in a very good position now because of our surplus, that for the first time, we have an opportunity to help in nation-building," de Claro said.

As of 30 June 2026, SSS had ₱1.27 trillion in consolidated investments, distributed across various asset classes in the domestic market. These include ₱629.05 billion in government securities, ₱179.44 billion in equities, ₱154.56 billion in property,

Relief Packs, Ipinamahagi sa mga Pamilyang Apektado ng Habagat sa Barangay Capipisa

TANZA, CAVITE — Dagsa ang mga residente sa Barangay Capipisa sa isinagawang pamamahagi ng relief packs ng Pamahalaang Bayan ng Tanza para sa mga pamilyang naapektuhan ng malakas na pag-ulan dulot ng Habagat.

Pinangunahan ang relief distribution nina Congressman Ping Remulla at Mayor Archangelo "SM" Matro, katuwang sina Konsehal Derek Matro, Konsehala Sheryl Lyn Langit-Gervacio, Konsehal Ryan Mintu, Konsehal Alexis Dones, ABC President Orly Gozo, BM Aldrin Anacan, SKF President Patrick Bocalan at Angel Langit.

Layunin ng pamamahagi na matugunan ang agarang pangangailangan ng mga pamilyang nakaranas ng epekto ng matinding pag-ulan at masamang panahon. Malaking tulong ang mga relief pack sa mga residenteng maaaring naapektuhan ang kabuhayan, tahanan at pang-araw-araw na gawain dahil sa Habagat.

Sa pamamagitan ng relief assistance, nabibigyan ang mga pamilya ng karagdagang suporta habang unti-unti silang bumabangon mula sa epekto ng masamang panahon. Ang ganitong mga hakbang ay mahalaga lalo na sa mga

komunidad na higit na naapektuhan ng tuloy-tuloy na pag-ulan.

Ipinakita ng isinagawang pamamahagi ang kahalagahan ng koordinasyon sa pagitan ng lokal na pamahalaan, mga opisyal ng barangay at iba pang katuwang na ahensya sa panahon ng kalamidad.

Sa pamamagitan ng sama-samang pagkilos, mas napapabilis ang paghahatid ng tulong sa mga residenteng nangangailangan. Mahalaga rin ang papel ng mga lokal na opisyal sa pagtukoy sa kalagayan ng kanilang mga nasasakupan upang matiyak na naaabot ng assistance ang mga pamilyang higit na nangangailangan.

Nagpaabot naman ng pasasalamat ang Pamahalaang Bayan ng Tanza sa Department of Social Welfare and Development (DSWD) at kay DSWD Secretary Rex Gatchalian para sa suporta at tulong na naipagkaloob sa mga pamilyang naapektuhan ng Habagat.

Kinilala rin ng lokal na pamahalaan ang ambag ng mga taxpayer bilang bahagi ng pondong ginagamit upang maihatid ang mga serbisyong pampubliko at tulong sa mga mamamayan sa panahon ng pangangailangan.

Editors Opinion Garbage and Flooding: A Crisis We Can No Longer Ignore

The continuing monsoon rains across Luzon have once again exposed a familiar and troubling reality: flooding remains a serious problem in many Filipino communities. Streets become impassable, homes are inundated, commuters are stranded, and families are forced to leave their homes for safety.

But amid the widespread flooding, one disturbing sight deserves particular attention—the enormous amount of garbage that accumulated in waterways in Parañaque City.

According to the Parañaque City government, more than 200 truckloads of garbage had been collected from the Redemptorist Water Channel as of August 15 after days of continuous rain. The volume of waste was reported to have contributed to worsening floods in the area. Department of Public Works and Highways Secretary Vince Dizon described the situation as a "garbage crisis," while President Ferdinand R. Marcos Jr. personally inspected the affected site.

The incident should serve as a wake-up call.

Flooding should not simply be accepted as an unavoidable part of the rainy season. Although heavy rainfall and changing climate conditions can intensify floods, human actions can also make their effects much worse.

Every bottle, plastic bag, food container and piece of packaging thrown carelessly into a street, creek or drainage canal has the potential to become part of a much larger problem. When garbage accumulates in waterways, it can block the natural flow of water and reduce the capacity of drainage systems. A simple act of littering can therefore contribute to flooding that damages homes, disrupts businesses and puts lives at risk.

There is no shortage of reminders about proper waste disposal. Filipinos learn from an early age that garbage belongs in the proper bin. Local governments conduct cleanup drives, impose ordinances and promote waste segregation. Yet despite these efforts, irresponsible disposal continues in many areas.

This is where personal responsibility must become part of the solution.

At the same time, the government must also answer legitimate questions about flood-control projects. Billions of pesos have been allocated over the years for drainage systems, waterways, pumping stations, flood-control structures and other infrastructure. Yet many communities continue to experience severe flooding whenever heavy rains arrive.

Taxpayers have every right to demand transparency, proper planning, quality construction and regular maintenance. Government agencies must ensure that flood-control funds are used effectively and that projects actually address the needs of communities.

But infrastructure alone will never be enough.

A sophisticated drainage system cannot function properly when waterways are filled with garbage. A newly constructed flood-control project can quickly lose its effectiveness if canals are neglected and used as dumping areas. Engineering solutions must therefore be matched by effective waste management, strict enforcement and responsible public behavior.

The experience of countries such as Singapore and Japan demonstrates that flood management requires more than concrete structures and large government budgets. Effective systems are supported by long-term planning, regular maintenance, strong enforcement and public cooperation.

The Philippines can pursue the same approach.

Government agencies must improve drainage and flood-control systems, maintain waterways and enforce environmental regulations. Local governments must strengthen waste collection and segregation programs. Businesses must also take responsibility for the waste generated by their operations.

Most importantly, citizens must recognize that keeping communities clean is not merely a matter of aesthetics. It is a matter of public safety.

Flooding is often described as a natural disaster, but its severity can be influenced by human decisions. Climate change may bring heavier and more unpredictable rainfall, but careless waste disposal, poor maintenance, weak enforcement and inadequate planning can turn heavy rain into a much bigger disaster.

The recent garbage buildup in Parañaque should therefore not be treated as just another image from the rainy season. It should be viewed as a warning.

The country needs a stronger partnership between responsible government and responsible citizens. Flood control requires good infrastructure, but it also requires discipline, accountability and environmental consciousness.

We cannot control the rain. But we can control where we put our garbage, how we maintain our waterways, how government projects are implemented, and how seriously we take our responsibility to protect our communities.

Flooding may be a recurring challenge, but worsening its impact through neglect and irresponsible behavior is a problem we can—and must—change.

HEALTH TIP OF THE WEEK

Likod sumakit sa laba, linis at cellphone

Mga Tamang Gawi sa Gawaing Bahay, Makatutulong Para Maiwasan ang Sakit sa Likod, Tuhod at Leeg

Maraming tao ang nakararanas ng pananakit ng likod, baywang, tuhod, sakong at leeg dahil sa maling postura at paraan ng paggawa ng mga gawaing bahay.

Ayon sa mga payo sa wastong pagkilos, mahalagang panatilihing maayos ang postura at gumamit ng angkop na kagamitan upang mabawasan ang pagod at pananakit ng katawan.

Sa pagwawalis ng bakuran, maaaring sumakit ang likod kapag nakayuko, naka-kuba o nakatungo ang ulo at balikat. Makabubuting gumamit ng walis tingting na may mahabang hawakan upang manatiling tuwid ang spine o gulugod habang nagwawalis.

Sa paghuhugas ng plato, pagluluto at pagpa-plantsa, maaaring makaranas ng pananakit sa sakong, tuhod at likod dahil sa matagal na pagtayo sa matigas na sahig. Maaaring gumamit ng mababang patungan ng paa tulad ng bangkito at salitan ang pagpatong ng kanan at kaliwang paa. Maaari ring gumamit ng malambot na sapin sa sahig upang mabawasan ang pressure sa sakong at tuhod. Sa paghihiwa ng mga lulutuin, mas mainam na umupo upang hindi agad mapagod.

Sa paglalaba, maaaring sumakit ang likod kapag nakaupo nang mababa sa bangkito. Mas mainam na ilagay ang labahan sa ibabaw ng mesa upang makaupo sa normal na silya habang naglalaba at mapanatili ang mas maayos na postura.

Sa paglilinis ng sahig, ang matagal na pagluhod sa baldosa o semento ay maaaring magdulot ng pananakit ng tuhod. Makatutulong ang paggamit ng malambot na luhuran. Maaari ring gumamit ng mop na may mahabang hawakan upang maiwasan ang madalas na pagluhod.

Samantala, sa paggamit ng cellphone, maaaring sumakit ang leeg kapag palaging nakatungo ang ulo. Inirerekomendang panatilihing tuwid ang leeg at itaas ang cellphone upang mas malapit ito sa antas ng mata.

Sa pamamagitan ng tamang postura, wastong kagamitan at regular na pagpapahinga, maaaring mabawasan ang hindi kinakailangang pagkapagod at pananakit ng katawan habang gumagawa ng mga pang-araw-araw na gawain sa bahay.

₱151.90 billion in member loans, and ₱96.34 billion in corporate notes and bonds, among others.

The diversified portfolio generated ₱27.16 billion in actual investment income as of 30 June 2026, equivalent to an annualized return on investment of 4.53 percent. The figures exclude realized gains from the sale of equity securities classified as fair value through other comprehensive income (FVTOCI).

SSS remains an active institutional investor in the Philippine capital market through investments in equities, government securities, and other financial instruments allowed under its investment policies. Its exploration of international investments is intended to complement, not replace, its existing domestic investments, providing greater diversification across markets and asset classes.

The planned overseas expansion will allow SSS to explore additional investment opportunities while maintaining its role in supporting the local capital market.

He emphasized that exploring overseas investments does not mean reducing SSS' participation in the Philippine market. Rather, the initiative is intended to complement its existing domestic investments by providing greater diversification across markets and asset classes.

SSS aims to grow its reserve fund to ₱2 trillion by 2030, supporting its capacity to provide meaningful and sustainable social security protection to current and future generations of members and pensioners. #

Nagpasalamat naman ang kampo ng kandidata sa mainit na pagtanggap ng mga barangay at residente. Ayon sa kanilang paninindigan, ang pagtitiwala ng mga mamamayan ay isang malaking responsibilidad na dapat tumbasan ng tapat na paglilingkod at konkretong mga programa.

Habang papalapit ang halalan, inaasahang magpapatuloy ang pakikipag-ugnayan ng kandidata sa iba't ibang sektor ng Dasmariñas upang maiparinig ang kanyang mga plataporma at higit na maunawaan ang mga pangangailangan ng mga residente.

Ang kandidatura ay nakatuon sa layuning magkaroon ng kinatawan ang Dasmariñas City na magsusulong ng mga programa at batas na makatutugon sa pangangailangan at kapakanan ng mga mamamayan.

Kadiwa ng Pangulo...

Bukod sa pagbibigay ng mas abot-kayang bilihin sa mga residente, layunin din ng Kadiwa ng Pangulo na tulungan ang mga producer at magsasaka na magkaroon ng mas direktang access sa mga mamimili at pamilihan.

Hinimok naman ang mga Treceño na tangkilikin ang programa bilang paraan ng pagsuporta sa lokal na agrikultura at kabuhayan ng mga Pilipinong manggagawa.

Pinapayuhan din ang mga dadalo na magdala ng sariling eco bag upang mabawasan ang paggamit ng plastic at makatulong sa pagpapanatili ng malinis at makakalikasang kapaligiran.

Sa muling pagbubukas ng Kadiwa ng Pangulo, inaasahang makikinabang ang mga mamimili sa mas abot-kayang produkto habang nakatutulong naman ang kanilang pagtangkilik sa mga lokal na magsasaka, producer at manggagawa.

The Memorandum of Agreement was signed by Mr. Vergel Dyoco, Marketing Manager, and Mr. Dexter Angeles, Area Sales Manager, representing Pacific Paint (Boysen) Philippines, Inc., together with City Administrator Engr. Madelaine Lara and City Engineer Engr. Jerome Menguito.

Under the partnership, Boysen will provide the necessary paint materials and labor for the repainting works free of charge. The initiative is aimed at restoring the appearance of public structures while helping maintain a cleaner and more presentable environment for residents and visitors.

The project will cover various footbridges, overpasses, and Welcome Arches located in different parts of Dasmariñas. Aside from improving their visual appearance, the repainting is expected to contribute to the proper upkeep of important public facilities used daily by pedestrians and motorists.

The City Government said the partnership will also help reduce expenses, allowing public funds to be utilized for other essential programs and services. The donation of materials and services by Boysen reflects a collaborative effort between the private sector and the local government in promoting responsible and efficient use of public resources.

Through the agreement, the City Government of Dasmariñas and Boysen reaffirmed their shared commitment to improving public spaces and enhancing the overall appearance of the city.

Sa pamamagitan ng naturang programa, patuloy na isinusulong ng City Government of Carmona ang mga serbisyong pangkalusugan na direktang nakararating sa mga residente at nagbibigay ng suporta mula sa proseso ng paggamot hanggang sa post-operation care.

Patuloy namang hinihikayat ang mga mamamayan na samantalahin ang mga health program ng lokal na pamahalaan upang maagapan at mabigyan ng kaukulang atensyon ang kanilang mga pangangailangang medikal.

Relief Packs...

Ang relief distribution sa Barangay Capipisa ay bahagi ng patuloy na pagtugon ng Pamahalaang Bayan ng Tanza sa mga komunidad na nakaranas ng epekto ng malakas na pag-ulan.

Habang patuloy na mino-monitor ang lagay ng panahon at kondisyon ng mga residente, nananatiling mahalaga ang pakikipagtulungan ng mga mamamayan sa lokal na pamahalaan. Hinihikayat ang mga residente na manatiling alerto, makinig sa mga opisyal na abiso at agad na ipagbigay-alam sa mga kinauukulan ang anumang sitwasyong nangangailangan ng agarang tulong.

Sa gitna ng kalamidad, muling ipinakita ng mga Tanzeño ang kahalagahan ng pagkakaisa at bayanihan. Sa pagtutulungan ng pamahalaan, mga ahensya, lokal na lider at mamamayan, mas nagiging mabilis at organisado ang pagtugon sa pangangailangan ng mga pamilyang naapektuhan.

Patuloy namang ipinapakita ng Pamahalaang Bayan ng Tanza ang malasakit sa mga residente sa pamamagitan ng paghahatid ng tulong at serbisyong kinakailangan sa panahon ng pagsubok.

Sa panahon ng pangangailangan, sama-samang kumikilos ang Tanza upang matiyak na walang pamilyang maiiwan.

PhilHealth, ADB, partners rally support for healthcare reforms

ADVANCING UHC. Philippine Health Insurance Corporation (PhilHealth) acting President and Chief Executive Officer Beverly Lorraine Ho delivers a presentation during the 2026 PhilHealth Partners' Forum at the Asian Development Bank (ADB) Headquarters in Mandaluyong City on Thursday (Aug. 13, 2026). Co-sponsored by the ADB, the forum gathered key global and strategic development partners to align resources and technical expertise in support of PhilHealth's RISE30 Mission and the effective implementation of Universal Health Care across the country. (Photo courtesy of PhilHealth)

MANILA – The Department of Health (DOH) and the Philippine Health Insurance Corporation (PhilHealth) presented a 16-month reform plan aimed at advancing PhilHealth's RISE30 Mission and improving access, equity and efficiency in Universal Health Care (UHC) delivery across the Philippines.

The state insurer, in a news release on Friday, said that more than 100 participants, including global development partners, financial institutions, the academe, foundations, civil society organizations, government oversight agencies and other stakeholders, as well as PhilHealth officers and technical staff, convened at the Asian Development Bank (ADB) Headquarters to align resources and technical expertise behind UHC reforms.

DOH Acting Secretary Edwin Mercado, acting PhilHealth President and Chief Executive Officer Beverly Lorraine Ho and ADB Country Director Andrew Jeffries led the 2026 PhilHealth Partners' Forum which facilitated direct alignment of partner resources and expertise with the sector's Shared Agenda and PhilHealth's multi-year Technical Assistance (TA) Agenda.

Mercado shared his vision of establishing a dedicated division for hospital operations to enable a unified hospital command and strategically align healthcare supply and demand.

"That same market-creation model is what we're pointing at for UHC now. We are looking at implementing a similar one-hospital command to match supply and demand strategically, and also making sure that there will be an agreement between public hospitals and private hospitals," he said.

"That's why I will put up a separate division specific for hospital operation. It's not embedded merely in the CHD (Centers for Health Development). The focus is really making sure there's financial transparency. It's being monitored because I believe that rising tide carries old ship," he added.

Meanwhile, Ho highlighted PhilHealth's efforts to strengthen frontloaded inpatient payments through a global budget using diagnosis-related groups.

She emphasized the shift from simply paying for access to paying for quality, with milestone-based incentives as a way to recognize better health care outcomes.

"And so, now, because providers know that we're paying them substantial amounts of money, I think we can very well ask for results. And so, that's where the quality milestone-based incentives welcome you," she said.

The program also featured a tribute honoring the coordinated success of PhilHealth and its partners over the past 18 months, recognizing the collective effort behind the gains made in advancing UHC reforms.

Department of Finance Secretary Frederick Go expressed his support for, and confidence in, the agencies' shared agenda.

"We recognize that sustainable health financing and a strong institution go hand in hand. Reforms that enhance governance, accountability, and optimize the use of public resources are investments that benefit our health system," he said.

He also highlighted the RISE 30 mission as a clear roadmap for strengthening PhilHealth's reforms.

Meanwhile, ADB Director of the Human and Social Development Sector Office Eduardo Banzon commended the progress PhilHealth has made over the past year.

"Looking forward to this great story to happen and a wonderful ending that we will all tell our children and grandchildren," he said.

Ho reaffirmed PhilHealth's commitment to building this ecosystem of support alongside the DOH.

She said the Technical Assistance Agenda would continue to build on the strong collaboration in long-term planning and to expand the partner network in support of ongoing UHC reforms. (PNA)

400 Armchairs, Ipinagkaloob sa Tanza National Trade School Main Para sa Mas Maayos na Learning Environment

TANZA, CAVITE — Kabuuang 400 armchairs ang ipinagkaloob sa Tanza National Trade School Main bilang karagdagang kagamitan para sa mga mag-aaral at upang makatulong sa mas maayos na daloy ng kanilang pang-araw-araw na klase.

Layunin ng karagdagang mga armchair na matugunan ang pangangailangan ng paaralan sa mga kagamitang gagamitin ng mga estudyante habang isinasagawa ang kanilang mga aralin. Inaasahang makatutulong ang mga ito upang magkaroon ng mas maayos, organisado at komportableng learning environment para sa mga kabataang Tanzeño.

Pinangunahan ni Mayor Archangelo "SM" Matro ang paghahatid ng karagdagang suporta sa paaralan, kasama sina Kapitan Cedie Murillo, SKF President Patrick Bocalan, Kuya Karl Velasco, at PTA President Marlon Hayag.

Ang pagkakaloob ng 400 armchairs ay bahagi ng patuloy na pagsisikap na masuportahan ang mga paaralan at matugunan ang mga pangangailangan ng mga mag-aaral. Mahalaga ang pagkakaroon ng sapat at maayos na kagamitan upang mas maging episyente ang mga guro at mag-aaral sa kanilang araw-araw na gawain sa loob ng silid-aralan.

Para sa mga mag-aaral, ang pagkakaroon ng maayos na upuan ay hindi lamang tungkol sa kaginhawaan. Nakakatulong din ito upang mapanatili ang kaayusan sa loob ng classroom at makapagbigay ng mas magandang kondisyon para sa pagkatuto.

Ipinakita rin ng programa ang kahalagahan ng pagtutulungan ng lokal na pamahalaan, barangay, student leaders, PTA at iba pang katuwang ng paaralan sa pagtugon sa pangangailangan ng sektor ng edukasyon.

Sa pamamagitan ng mga karagdagang kagamitan, patuloy na sinusuportahan ang layunin na makapagbigay ng mas maayos na learning environment para sa mga kabataang Tanzeño. Ang ganitong mga hakbang ay mahalaga upang matiyak na ang mga mag-aaral ay may sapat na pasilidad na makatutulong sa kanilang pag-aaral at pag-unlad.

Patuloy namang inaasahan ang koordinasyon ng mga paaralan at lokal na pamahalaan upang matukoy ang iba pang pangangailangan ng mga mag-aaral at maisulong ang mga programang nakatuon sa pagpapabuti ng kalidad ng edukasyon sa Tanza.

Sa pagkakaloob ng 400 bagong armchairs, muling binigyang-diin ang kahalagahan ng pagbibigay ng ligtas, maayos at komportableng lugar para sa pagkatuto ng bawat kabataan.

Mas maayos na kagamitan, mas komportableng silid-aralan, at mas magandang kapaligiran para sa pagkatuto ng mga kabataang Tanzeño.

Kapunungan sa mga Pilipinong Hukom Pays Courtesy Call on Chief Justice Gesmundo

Chief Justice Alexander G. Gesmundo welcomed the delegation from Kapunungan sa mga Pilipinong Hukom (HUKOM), an organization of first- and second-level trial court judges, during a courtesy call on August 10, 2026, at the Supreme Court (SC) En Banc Conference Room in Manila.

During the visit, Ateneo de Naga University College of Law Dean Atty. Domnina T. Rances presented to the Chief Justice HUKOM's study on procedural fairness in Philippine trial courts.

HUKOM commissioned the Ateneo de Naga University Social Science Research Center to conduct the study, which examined public trust in the courts based on procedural justice principles. The study surveyed 200 court users in Naga City and nearby municipalities, most of whom were defendants or accused individuals in cases involving dangerous drugs, to determine how perceptions of fairness, respect, and clear communication affect public confidence in the Judiciary.

Chief Justice Alexander G. Gesmundo (center) receives the research findings from the Kapunungan sa mga Pilipinong Hukom delegation during a courtesy call at the Supreme Court (SC) En Banc Conference Room in Manila on August 10, 2026. With him are (from left) Judge Amy Alabado Avellano of Branch 58, Regional Trial Court (RTC), San Carlos City, Negros Occidental; Judge Mervin Jovito S. Samadan of Branch 40, RTC, Dagupan City, Pangasinan; Judge Madonna Gay L. Escio of Branch 1, Municipal Trial Court in Cities, Daet, Camarines Norte; Judge Minerva F. Lopez, Branch 43, Metropolitan Trial Court (MeTC), Quezon City; Judge Emery Joy M. Ma-Jabal, Municipal Circuit Trial Court, Bansud-Gloria, Bansud, Oriental Mindoro; Judge Joan C. Mosatalla, Branch 1, RTC, Legazpi City, Albay; Judge Maria Clarissa L. Pacis of Branch 36, RTC, Iriga City, Camarines Sur; Judge Rosario Ester B. Orda-Caise of Branch 234, RTC, Makati City; Philippine Judicial Academy Acting Chancellor and retired SC Associate Justice Edgardo L. Delos Santos; Judge Gerely Rico-Cruz of Branch 12, MeTC, Manila; Atty. Carolyn A. Mercado of the International Development Law Organization; Ateneo de Naga University College of Law Dean Atty. Domnina T. Rances; Atty. Ray Paolo J. Santiago of FAIR Justice; and Deputy Chief Justice Staff Head Atty. Antonio Ceasar R. Manila. (Photo courtesy of the SC Communications Office)

The study also highlighted the role of frontline court staff, whose professionalism, courtesy, and efficiency shape how litigants and the public experience the justice system.

Based on the survey findings, the study proposed seven policy recommendations:

Provide continuous training and capacity-building activities for judges and court personnel to reinforce impartiality, ethical conduct, and transparent decision-making;

Streamline case flow management, adopt digital docketing and scheduling systems, and strengthen monitoring mechanisms to reduce procedural backlogs;

Simplify the language used in court notices and forms and promote user-friendly communication strategies among judicial and administrative personnel;

Institutionalize regular feedback channels and enhance information desks or help centers;

Improve court infrastructure to ensure safety and accessibility for persons with disabilities;

Establish clear timelines, regular reviews, and mechanisms for evaluating court proceedings; and

Conduct periodic user perception surveys and court user experience assessments.

The study highlighted that its findings are indicative, not generalizable to all Philippine trial courts. Still, they offer empirical insight to inform reforms for improving procedural fairness and public trust in the Judiciary.

Chief Justice Gesmundo thanked HUKOM for the initiative and underscored the study's importance in supporting the Judiciary's commitment to evidence-based policy implementation under the Strategic Plan for Judicial Innovations 2022–2027 (SPJI).

The Chief Justice added that the study could contribute to the work of the Court's High-Performance Courts initiative, which seeks to qualitatively and quantitatively assess the performance of courts and court personnel to identify areas where further improvements may be made in the administration of justice.

Present during the courtesy call were Judge Rosario Ester B. Orda-Caise of Branch 234, Regional Trial Court (RTC), Makati City; Judge Gerely Rico-Cruz of Branch 12, Metropolitan Trial Court (MeTC), Manila; Judge Mervin Jovito Samadan of Branch 40, RTC, Dagupan City, Pangasinan; Judge Maria Clarissa L. Pacis of Branch 36, RTC, Iriga City, Camarines Sur; Judge Joan C. Mosatalla of Branch 1, RTC, Legazpi City, Albay; Judge Minerva F. Lopez of Branch 43, MeTC, Quezon City; Judge Emery Joy M. Ma-Jabal, Municipal Circuit Trial Court, Bansud-Gloria, Bansud, Oriental Mindoro; Judge Amy Alabado Avellano of Branch 58, RTC, San Carlos City, Negros Occidental; and Judge Madonna Gay L. Escio of Branch 1, Municipal Trial Court in Cities, Daet, Camarines Norte.

They were also joined by Philippine Judicial Academy Acting Chancellor and retired SC Associate Justice Edgardo L. Delos Santos, Atty. Carolyn A. Mercado of the International Development Law Organization, Atty. Ray Paolo J. Santiago of FAIR Justice, and Deputy Chief Justice Staff Head Atty. Antonio Ceasar R. Manila. Strengthening Readiness: 7RCDG Welcomes Ordinance and Chemical Service Cheif

The 7th Regional Community Defense Group (7RCDG), Reserve Command, Philippine Army, welcomed Col. Marcel D.S. Figuracion, Chief of Ordnance and Chemical Service, Philippine Army, and his delegation on August 14, 2026, for the Annual Ordnance Maintenance Inspection (CY 2026) at Headquarters 7RCDG, Camp Lapulapu, Apas, Cebu City.

The inspection evaluated the unit's compliance with established logistics and maintenance standards, focusing on the accountability, serviceability, and operational readiness of military equipment. Key areas assessed included inventories of firearms, ammunition, and vehicles, as well as the overall condition of vehicle maintenance depots and ordnance storage facilities.

The activity reinforced the Philippine Army's commitment to sound logistics management and sustained personnel and material readiness in support of mission success.

Food Packs Ipinamahagi sa mga Mangingisdang Apektado ng Habagat

CAVITE CITY, CAVITE — Nagsagawa ang Pamahalaang Lungsod ng Cavite ng pamamahagi ng food packs para sa mga lokal na mangingisdang naapektuhan ng Habagat at mga nagdaang bagyo na nakaapekto sa kanilang kabuhayan.

Isinagawa ang relief distribution noong Agosto 11, 2026 sa Montano Hall, kung saan tinulungan ng lokal na pamahalaan ang mga fisherfolk na pansamantalang naapektuhan ang kanilang pangunahing pinagkukunan ng kita dahil sa masamang panahon.

Katuwang ang Department of Social Welfare and Development (DSWD), isinagawa ang programa bilang bahagi ng agarang pagtugon ng pamahalaan sa pangangailangan ng mga komunidad na nakadepende sa pangingisda. Dahil sa epekto ng mga nagdaang bagyo at Habagat, nahirapan ang ilang mangingisda na makapaghanapbuhay dahil sa kondisyon ng karagatan at mga coastal area.

Pinangunahan ang aktibidad nina Cavite City Mayor Denver Reyes Chua at Cavite City Vice Mayor Raleigh Rusit, kasama si Congressman Jolo Revilla. Nakiisa rin sa programa si City Social Welfare and Development Office Head Rowena Andrade, kasama ang mga miyembro ng City Council.

Binigyang-diin sa programa ang kahalagahan ng mabilis na pagtugon sa pangangailangan ng mga fisherfolk, lalo na ang mga pamilyang umaasa sa araw-araw na kita mula sa pangingisda. Ang pamamahagi ng food packs ay nagsilbing karagdagang suporta habang patuloy na hinaharap ng mga apektadong pamilya ang epekto ng kalamidad.

Patuloy naman ang pagtatasa ng Pamahalaang Lungsod ng Cavite sa kasalukuyang kalagayan ng mga coastal area at iba pang komunidad na naapektuhan ng mga nagdaang bagyo at Habagat. Layunin nitong matukoy ang iba pang pangangailangan ng mga residente at matiyak na maihahatid ang nararapat na tulong sa mga apektadong sektor.

Sa pamamagitan ng koordinasyon ng lokal na pamahalaan, DSWD, mga opisyal ng lungsod at iba pang katuwang, patuloy na isinusulong ang mga hakbang upang matulungan ang mga pamilyang naapektuhan ng kalamidad na makabangon at maipagpatuloy ang kanilang kabuhayan.

Mendez Dialysis Center, Hatid na Pag-asa at Libreng Serbisyo para sa mga Mendezeño

MENDEZ, CAVITE — Isang makabuluhang birthday celebration ang naging pagkakataon upang maihatid ang isang mahalagang biyaya para sa mga Mendezeñong nangangailangan ng serbisyong medikal, matapos ang pagkakaloob ng Mendez Dialysis Center, na magbibigay ng libreng dialysis service para sa mga kwalipikadong pasyente sa bayan.

Ang dialysis center ay inaasahang magiging malaking tulong sa mga pasyenteng nangangailangan ng regular na dialysis treatment, lalo na sa mga pamilyang nahaharap sa malaking gastusin para sa kanilang patuloy na gamutan.

Sa halip na materyal na regalo, itinuring na mas makabuluhang birthday blessing ang pagkakaroon ng serbisyong maaaring magbigay ng pag-asa at ginhawa sa mga pasyente at kanilang pamilya.

Ang pagtatatag ng Mendez Dialysis Center ay sumasalamin sa layuning mailapit sa mga mamamayan ang mahahalagang serbisyong pangkalusugan. Sa pamamagitan ng libreng dialysis, mabibigyan ng karagdagang suporta ang mga Mendezeñong nangangailangan ng regular na paggamot at pangangalaga.

Nagpaabot naman ng taos-pusong pasasalamat ang mga nanguna sa inisyatiba sa NeoHope para sa malasakit, suporta at pakikipagtulungan na naging bahagi ng pagkakaroon ng serbisyong ito para sa komunidad.

Ang kanilang pagtutulungan ay nagbigay-daan upang ang isang personal na pagdiriwang ay maging isang biyayang maaaring mapakinabangan ng mas maraming pamilya sa Mendez.

Higit sa isang pasilidad, ang Mendez Dialysis Center ay sumisimbolo sa pagbibigay ng pag-asa sa mga pasyenteng patuloy na lumalaban sa kanilang karamdaman at sa mga pamilyang nagsisikap na maitaguyod ang kanilang pangangailangang medikal.

Sa pamamagitan ng serbisyong ito, umaasa ang mga katuwang sa proyekto na mas mapapagaan ang gastusin at pangamba ng mga pasyenteng nangangailangan ng dialysis, habang patuloy silang binibigyan ng pagkakataong makapamuhay nang may dignidad at pag-asa.

Sa isang birthday celebration na nauwi sa isang makabuluhang biyaya, muling ipinakita na ang pinakamahalagang regalo ay hindi lamang ang natatanggap kundi ang biyayang naibabahagi sa kapwa.

Para sa Pamilyang Mendezeño. Para sa buhay. Para sa pag-asa.

500-K halaga ng mga alagang hayop at feeds, tinanggap ng mga magpapalay sa Batangas

Tinanggap ng dalawang samahan ng mga magpapalay mula sa Rosario, Batangas ang mga

alagang hayop at pakain na may halagang ₱537,230, handog ng Department of Agriculture IV-

CALABARZON (DA-4A) Rice Program noong ika-13 ng Agosto.

Dito ay 10 kambing, 2 inahing baboy, at 72 bag ng mga pakain ang tinanggap ng Mayuro

Farmers

Association at Lumbangan Farmers Association na mayroong 17 magsasaka na kabilang sa mga

miyembrong kasali sa proyekto.

Ito ay sa ilalim ng programang Palayamanan katuwang ang Philippine Rice Research Institute

(PhilRice) na tumutukoy sa isang sistema ng pagsasaka na may layong paunlarin ang buhay ng

mga magsasaka sa pamamagitan ng pagtatanim ng palay kasabay ang pag-aalaga ng mga

hayop.

Sa kabila ng patuloy na pagbabago ng panahon ay hangad din nitong magsilbing dagdag na

kabuhayan para sa mga magpapalay lalo na sa panahon ng El Niño na may suliranin sa

irigasyon.

Ayon kay Geffrey Gonzales, miyembro ng Lumbangan Farmers Association, hindi niya

sasayangin ang pagkakataon na siya ang pinagkatiwalaang mag-alaga ng inahing baboy na

pakikinabangan ng samahan. Aniya, maganda ang hangarin ng proyekto upang unti-unti ay

matuto na rin ang mga kasamahan na mag-alaga ng hayop upang may alternatibong pandagdag

kita bukod sa pagtatanim ng palay. #### (Danica T. Daluz, DA-4A RAFIS)

PGC Brings Healthcare Closer to Dasmariñas Community

Healthcare services came closer to the doorstep of residents in Brgy. Victoria Reyes, Dasmariñas City, as the Provincial Government of Cavite (PGC) conducted a Medical and Dental Mission on August 11, 2026, bringing essential health services directly to the community, serving 735 beneficiaries.

Of the total number of beneficiaries, 568 residents received medical consultations, while 58 availed themselves of dental services. The mission also provided preventive and diagnostic services, including 75 Free Blood Sugar (FBS) tests and 34 Electrocardiogram (ECG) examinations.

The activity was carried out through the collaborative efforts of the Office of the Provincial Governor and the General Emilio Aguinaldo Memorial Hospital (GEAMH) team, Barangay Health Workers (BHWs), and local government officials, ensuring the smooth and efficient delivery of healthcare services to the community.

The PGC likewise expressed its appreciation for the support and cooperation of Vice Mayor Third Barsaga, the City Council, and Punong Barangay Roberto B. Atabay, whose support and active participation contributed to the successful implementation of the mission. — OPIO
