Our program speaker for today was Rich Martin from “Assisted Living Locators, Great Lakes Bay Region”. Assisted Living Locators (ALL) is a no-cost referral service that specializes in direct placement services to seniors and their families who seek their services in locating assisted living, senior housing options and in-home care services that meet their geographic, financial and clinical needs and preferences.

Their care advisors take a 4-step approach to guiding you through the process of finding the best senior living option for your family.

1. In-Depth Assessment of Your Needs

Discuss your needs (in-person or by phone) to learn how we can best serve you.

2. Thoughtful Analysis & Recommendations

Provide a customized plan to match your particular needs.

3. Assistance with Selection Process

Hands-on help and guidance as you review services and amenities, and tour care options.

4. Transition Support

Caring support to make the move smooth and worry free, as well as follow up support to make sure that your expectations are being met by the community or home.

If you believe this service may benefit your needs, you can read more by visiting their website: <https://assistedlivinglocators.com/>, Or by contacting our speaker directly at 989-502-2244

50/50 and QUARTER CUP

President Roberta did just as Patti did last week, drew the wrong card for the 50/50 and Lisa Forrest was not present to hear her name called for the “Quarter Cup”, so she was unable to put claim to her winnings. Both pots continue to grow.

VENMO

*Venmo is an electronic means of transferring money via your phone from one individual to another and is very easy to use. Our Club now offers this payment option to our members and I've learned that many of you are already familiar with this service. There is no charge for the transfer for the sender or the receiver. You can use this method of payment instead of writing a check for any payment you would be making to our Club. On Venmo our Club name is **Bay City Optimists BOC**. If you have any questions, feel free to contact Karen*

The Optimist Creed

*To be so strong that nothing can disturb your peace of mind.
 To talk health, happiness and prosperity to every person you meet.
 To make all your friends feel that there is something in them.
 To look at the sunny side of everything and make your optimism come true.
 To think only of the best, to work only for the best and to expect only the best.*

*To be just as enthusiastic about the success of others as you are about your own
 To forget the mistakes of the past and press on to the greater achievements of the future.
 To wear a cheerful countenance at all times and give every living creature you meet a smile.
 To give so much time to the improvement of yourself that you have no time to criticize others.
 To be to large for worry, to noble for anger, too strong for fear, and too happy to permit the presence of trouble*
