Our guest today was Jessie Scott Wood, Attorney at Law. Mrs. Wood, and her brother Daniel M. Wood have the 'Wood Law Firm' here in Bay City, and practice in the field of Family, Estate, Probate, Business Formation, and Real Estate Law. Jessie provided those in attendance information on Divorce law, including inheritance and gifts in divorce in Michigan. This was a program where you really had to be there to appreciate. Did not realize until the end of the meeting, when Guy brought forward, that Jessie is also in the running for Bay County Circuit Court Judge.

# The Optimist Creed

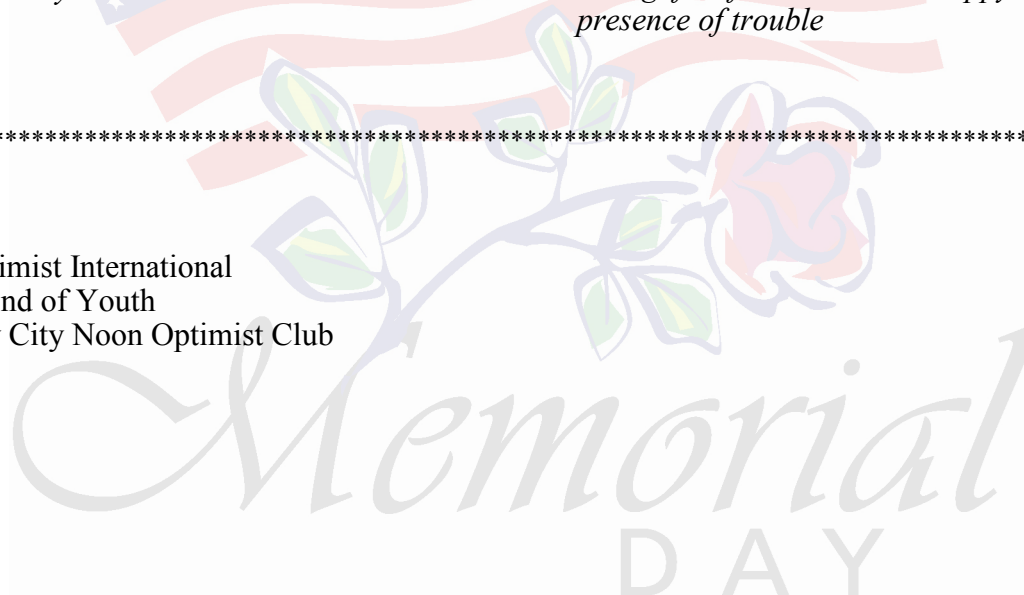

*To be so strong that nothing can disturb your peace of mind.  
To talk health, happiness and prosperity to every person you meet.  
To make all your friends feel that there is something in them.  
To look at the sunny side of everything and make your optimism come true.  
To think only of the best, to work only for the best and to expect only the best.*

*To be just as enthusiastic about the success of others as you are about your own  
To forget the mistakes of the past and press on to the greater achievements of the future.  
To wear a cheerful countenance at all times and give every living creature you meet a smile.  
To give so much time to the improvement of yourself that you have no time to criticize others.  
To be to large for worry, to noble for anger, too strong for fear, and too happy to permit the presence of trouble*
