Meetings Every Tuesday, DoubleTree Hotel 12:15 p.m.

May 3, 2022

Our guest today was the *Principal* of Handy Middle School, **Jake Voisine**. Mr. Voisine spoke on a new program at Handy Middle School, called *New Tech Network (NTN)*. Middle school is pivotal in establishing a strong academic pipeline because disengagement from school that leads to dropping out begins in middle school. Increased student engagement has been demonstrated to increase the likelihood of graduating high school and enrolling in college.

NTN is one of the fastest growing school networks, with a proven approach for student success, by providing support to every demographic and community type. Some of the ways they accomplish this is:

Culture that Empowers

By making learning relevant and creating a collaborative learning culture, students become connected to, engaged with, and challenged by their school, their teachers and their peers

Teaching that Engages

Through project-based learning, students become problem-solvers

Technology that Enables

Through a technology-rich environment, teachers and students create, communicate, access information, and experience self-directed learning

Outcomes that Matter

NTN learning outcomes measure collaboration, written and oral communication and the development of student responsibility for their own learning.

NTN schools consistently outperform national comparison groups on measures of higher order thinking skills, high school graduation rates and college enrollment rates. It has been proven that NTN students:

Graduate High School at a 94% rate, 10% higher than the national average

Persist in College at a rate of 83%

Grow 42% more in critical thinking skills

NEXT WEEKS PROGRAM

Our program for next week, May 10, 2022, will be a walking tour of *Hell's Half Mile*, with BCNOC member **Tim Murray** leading the way.

We will begin with lunch at the Pavilion in Wenonah Park (across from the bandshell) consisting of Pizza beginning at 12:15, (please bring your beverage) followed by the walking tour. The tour will be from the Planetarium to St. Laurent Brothers, and back ending at the Delta Planetarium. Please wear comfortable shoes, and needless to say, dress for the weather.

50/50 and QUARTER CUP

Rich Van Tol had his name drawn for the "Quarter Cup", and as he was present he was able to claim the winnings, but **Rich**, being **Rich**, donated the winnings back to the club. A huge THANK YOU!! and *President Roberts* did as **Bobbi** did last week, drew the wrong card for the 50/50

VENMO

*Venmo is an electronic means of transferring money via your phone from one individual to another and is very easy to use. Our Club now offers this payment option to our members and I've learned that many of you are already familiar with this service. There is no charge for the transfer for the sender or the receiver. You can use this method of payment instead of writing a check for any payment you would be making to our Club. On Venmo our Club name is **Bay City Optimists BOC**. If you have any questions, feel free to contact Karen*

The Optimist Creed

*To be so strong that nothing can disturb your peace of mind.
To talk health, happiness and prosperity to every person you meet.
To make all your friends feel that there is something in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best and to expect only the best.*

*To be just as enthusiastic about the success of others as you are about your own
To forget the mistakes of the past and press on to the greater achievements of the future.
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be to large for worry, to noble for anger, too strong for fear, and too happy to permit the presence of trouble*
