

BAY CITY NOON OPTIMIST CLUB

April 2023

Warmer temps and the greening grass has the Bay City Noon Optimist Club ramping up for our annual golf fundraiser **Friday, June 9**. The golf event is a hit with golfers due to the low price and tons of fun! Again this year, along with our other prizes **we will award top prizes to the lowest scoring Men, Women and Mixed teams.**

This is just one of our Club's fundraisers we hold throughout the year to raise money for our Youth Fund which allows us to support the youth of our community.

Some of the Club activities for the youth of our community include:

- Monthly Birthday parties for the children housed at the Good Samaritan Rescue Mission
- Youth Appreciation Luncheon; where the unsung heroes of our community are honored by their teachers who herald their acts of kindness and activities that better our community. A formal luncheon where their teachers, parents are invited to share in this honor.
- Statewide Essay Contest activities and awards
- International Oratorical Contest activities and awards
- Hampton Hawks SOAR program- honoring students
- National Night Out – serving food to our community
- State Street Academy student honors program
- Mr. Peace - national speaker for student assemblies

We appreciate your support of our event in past years and are hopeful you'll consider supporting our event whether through golfing with us or through the many sponsorship opportunities provided.

The Bay City Noon Optimist Club is a group of men and women whose mission is "Bringing Out The Best In Our Youth, Our Community, and Ourselves" and with your help we can do so much more for our youth.

Kind regards,
Roberta Spencer, Event Chair
