

## Rehabilitating Our Injured Soldiers

The war in Israel continues, and the toll is unfathomable. Alongside the tragic loss of countless lives, the numbers of wounded and injured soldiers and civilians keeps on rising and brings with it unprecedented suffering. Over 3,500 individuals, each bearing the weight of the severity of their injury, including numerous brave Israeli soldiers who have given their all to defend their country.

Bnai Zion Medical Center is home to the sole Rehabilitation Department in the expansive region of Haifa and Northern Israel. Our department boasts extensive experience in caring for all patients,

specializing in Orthopedic, Neurological, Body Burns, and Multi-system Injuries - from fractures to Cognitive Rehabilitation.

In these critical times, our department is gearing up to welcome our brave soldiers who have been injured in the line of duty defending our homeland. Our dedicated multidisciplinary team already swung into action, working tirelessly around the clock to provide the care and support our soldiers need. Together we are committed to leaving no stone unturned and sparing no effort to help these courageous individuals recover and reunite with their families.

Wounded soldiers are arriving from various hospitals in Israel and we urgently require your assistance in procuring the following essential equipment:

- 15 Electric beds - \$3,000 each ✓
- Parallel bars and electric stairs for practicing inclines - \$28,500 ✓
- Antigravity treadmill - \$97,100 ✓

**A contribution of any size makes a difference**

Your support is instrumental in enabling us to perform our vital work, providing a lifeline of hope to these soldiers in their battle for recovery and making their homecoming possible.

**Join us in making a real difference in the lives of these brave individuals.**
