- ◆ 22 OZ JAR OF PURE, CLEAN-BURNING WAX (AVAILABLE IN TWO MORE SIZES FOR CUSTOM/NAMEDROP ORDERS)

ABOUT UNCOMMON FLAME

Our candles are 100% pure soy wax that burns clean for people, pets and the environment. We don't use any paraffin wax, which is toxic, in our hand-poured candles. We only use all-natural oils that don't contain any bi-products or toxins.

We have hundreds of stock designs, but can also create custom and private-label products at no additional charge. Choose from more than 115 standard scents, and we can also create custom scents if needed. (1 oz scent samples available at no charge.)

Our standard candle size is 16 oz, but we also offer 8 oz and 4 oz sizes and multiple vessel types. Wholesale cost on 16 oz candles is \$18 (\$22 for Artist Series).
