To Whom it may concern

I know Darren Bolger through my work as Councillor at Wandsworth Council and also in my year of Office and also in my year of Office as Mayor of Wandsworth.

Darren Bolger does a great deal of work and funds local enterprise for young, ,and sometimes hard to reach people. He also offers mentoring and employment opportunities and the good work he does in the community this year he has been awarded a Wandsworth Badge of honour and a lifetime place in our registry.

On a personal note, I have found him to be a decent, caring and hugely compassionate person and always dependable. I would have no doubt in endorsing the sound character of this man.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'N. Nardelli'.
