

2021-2022

We appreciate you taking the time to read this letter and consider sponsoring the Saginaw Sugar Beets Baseball/Softball Organization. Our organization is designed to provide an opportunity for youth baseball and softball players in an environment that will challenge them physically, mentally, and emotionally, teach them how to react to both success and failure, build self-confidence, and grow their leadership abilities.

Your contribution allows us to reduce out-of-pocket costs for necessary expenses that today's youth sports world demands for kids to learn and perfect their skills. During this process they create lifelong friendships and eventually strive for championships and set goals beyond what they once believed they might not be capable of.
