

We appreciate you taking the time to read this letter and consider sponsoring the Saginaw Sugar Beets Baseball/Softball Organization.

The organization is designed to promote a positive environment for your young players, while improving their baseball/softball skills, and teaching them personal responsibility, self-confidence, and sportsmanship. The youth teams are a part of a larger group that includes our summer collegiate UBL team. Your contribution will benefit young players as they learn and perfect their skills, make lifelong friendships, and strive to play at the next level.

We thank you for your help in supporting youth development in our area.
