

We are wrapping up final preparations for Conquistador Classic and excited that things are “a go”!

COVID UPDATE as of Monday, January 11<sup>th</sup>: The only mask requirement in place at the Renaissance Golf World Resort & Convention Center is requested by Marriott that masks be worn in common areas. There are no government issued mask mandates or social distancing requirements in place.

**THOSE WITH GYMNASTS SCHEDULED TO COMPETE ON SUNDAY... Please check the FINAL SCHEDULE.**

To allow for more social distancing, the XCEL Gold gymnasts have now been split into two (2) sessions. Unfortunately, by doing so, it required the following sessions to be altered. I apologize for the change, but decided it was in the best interest of the gymnasts and audience alike.

There should be plenty of spacing for all family members and friends to attend. However, in an attempt to provide as much social distancing as possible, we will require those arriving for the upcoming session to please wait to enter the competition arena until the conclusion of the session that may be underway. Admission fee: Ages 12+: \$10; Ages 5-12: \$5; Under 5: Free.

Live scoring will be available providing there is no glitch with internet or scoring providers. Upon all scratches received, any adjustment with age groups will be made PRIOR to going live so there may be a short delay of live scoring at the beginning of each session. At times there seems to be discrepancies with what appears online. The results and placements announced by Conquistador Classic & Destination Meets (via ProScore) are the official results.

All sessions are Modified Capitol format & continuous rotation. In a nutshell: There are two sets of bars, beam and vault and one floor. Flight A will be the set of equipment to the LEFT when entering the ballrooms; Flight B to the right when entering. *Rotation sheets are not possible as cards will be used allowing coaches to place gymnasts in competition order each event.*

There is no “gymnast check-in”. Gymnasts simply need to report to their coach prior to the start of their session. “March In” will take place at your team’s first event. Please remember that ONLY gymnasts, coaches and volunteers are allowed in the actual competition parameters.

And, as always, NO FLASH photography is allowed. This is for the safety of the gymnasts! So, please check for those bright lights even on your cell phones...

On a personal note, thank you so much for bringing your gymnast to Conquistador Classic. Keeping your gymnast in some type of normalcy during the past many months has been so important. The dedication of your gym, your child’s coach, the extra sacrifices you have had to make is helping these children much more than can ever be measured during this crazy time.
