

## Pre-Appointment Assessment

*We want to make your pet's veterinary experience as enjoyable and as stress-free as possible. As such, it's important for us to understand what your pet might need today. The information will help us to adjust our care to better serve and comfort your pet. Please answer the following questions to the best of your ability so we can take into consideration both your and your pet's preferences.*

Have you or anyone in your household been ill within the last ten [10] days? A mask will be required when entering the building.\*
