Capability Statement

About Sharleneez Reflection LLC

Past Performances:

My name is Sis. Charlene and I am a Seamstress/Tailor. I love to sew and be creative with hand made garments. I have been sewing by patterns for many years and my work is of quality and accuracy.

Tailoring garments is my love and I'm eager to use my skills successfully. My customers love my work and are very satisfied with the quality of my work. Although I tailor all types of garments, I specialize in women's ponchos and clergy robes for religious leaders.

To share my skills with government agencies is a dream come true for me, and I want to say thank you for considering my company.
