

LOC IMPACT

Optimizing teams to elevate performance.

Outcomes

Client partners position themselves to improve clinical and financial performance through:

- Lower LOS and readmissions
- Improved patient throughput
- Optimized reimbursement
- Reduced turnover costs
- Enhanced reputation and loyalty

What We Do

Lion Oakes reviews your hospitalist program and delivers an executive report that identifies strengths, uncovers risks, and gives clear steps to improve performance.

Deliverables

- Hospitalist Operations Assessment Report
- Lion Oakes Scorecard benchmarking program performance
- Clear, prioritized recommendations with actionable next steps
- 30 Days of Leadership Support following the executive presentation

What to Expect

- **Intake:** Remote review of your data and priorities
- **Assessment:** Conversations with hospitalist leaders, executives, and staff (on-site or virtual)
- **Report:** Executive-ready summary with benchmarks, risks, and prioritized recommendations
- **Executive Presentation:** Session with leadership to review findings and set direction. Lion Oakes remains available for 30 days to support leadership as changes begin.

Why Lion Oakes

- Physicians who have built high-performing hospitalist programs
- Trusted by clinicians and understood by executives
- Practical strategies that strengthen stability, efficiency, and financial performance
