## **Once a Marine, Always a Marine**

Long after the uniform has been laid aside, the last order has been given,  
the final salute returned, the last handshake shared, and the  
occasional tear brushed away by a determined hand.

Long after that, it still runs in your veins,  
lives in your mind, and dominates your will.

Long after that you feel the call, the esprit that can only be shared  
among brothers and sisters. Among individuals bonded together by  
the truest of ideals.
