

# NeuroForensics Integrated, PLLC

## *Forensic Psychology and Neuropsychology*

---

### **Notice of Access to Evaluation Records & Consumer Rights**

*(Texas Health & Safety Code §181.105)*

#### **Services:**

NeuroForensics Integrated, PLLC provides **forensic psychological and neuropsychological evaluations**.

#### **Access to Records:**

- Because NeuroForensics Integrated provides **forensic services rather than health care**, record requests are **handled through the appropriate legal authority**, such as the Court or the attorney that referred you, rather than directly through our practice. This will be or would have been explained to you during the informed consent process and documented in writing.
- Any requests sent to the evaluating doctor or NeuroForensics Integrated will be **referred to the Court or the attorney** associated with your legal matter.

#### **Complaints:**

- To file a complaint regarding the psychologist that examined you, you may do so with the Texas Behavioral Health Executive Council (BHEC):
