

CareCentra NEXT LEVEL

PERSONAL AI HEALTH COACH

Download the Next Level app to help you **remember to take your medications** and meet your health goals.

PERSONAL CARE

Learns about your health goals to optimize how it can support you.

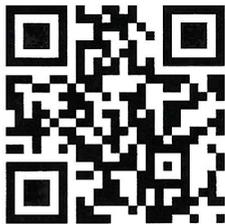

CONNECTED CARE

Gives you support when you need it while alerting your care team when necessary.

BETTER HEALTH

Helps you take charge of your care so you can achieve your health goals.

Available to Veterans actively enrolled in primary care at the Ralph H. Johnson VA Health Care and any affiliated outpatient centers.

Created to provide connected, continuous, and compassionate care using **Artificial Intelligence**.

VA

U.S. Department of Veterans Affairs

Veterans Health Administration
Ralph H. Johnson VA Health Care System

HOW IT WORKS:

Download for **FREE** by scanning the QR code or in your mobile app store.

Keyword search:
"CareCentra Next Level"

Follow the prompts to help the health coach learn about your health goals.

The health coach will send you messages in the app. The more you use the app, the better it can adapt the information to your needs.

Help with app support: VANEXTLEVELSUPPORT@va.gov and support with VA Care enrollment call 1-877-222-8387, option 1 or Charleston 843-789-7008 Monday through Friday, 8 am to 4:30 pm EST
