and view our B4B video on how to narrow these campsites down to your desired dates. Copy/paste #s above in sets.

Feature will only allow for 10-12 campsites to be searched for simultaneously. Track results on paper and watch campsite specific videos to help make your choice.

Additionally, campsites are listed/linked at the bottom of our map page (some are outdated). Numbers listed in **BOLD** are

the B4B recommended sites. <https://bound4burlingame.com/burlingame-campground-map>.

Keep in mind that the above campsites may have been recommended for various reasons such as size, privacy, and ease of access. Not all campsites will meet every camper's expectations.
