General Information

Description

This is an introduction to drawing a face.

Topics for each Class:

2/5 #1) Skin Tones: Using 3” diameter round shapes, we will mix and blend 3 skin tones; light, medium, and dark.

2/12 #2) The Eye: Focus will be on the shape of the eye, eyeball, iris, lashes, shadows and reflections.

2/19 #3) The Nose: We will concentrate on the structure of the nose, building with shadows, tones and highlights and adding nostrils.

2/26 #4) The Mouth: More specifically the lips because teeth will be another category alone. We will be working on the shape of lips and natural colors.
