Good morning,

Thank you for sending in your signed settlement agreement– we will forward this over to the manufacturer and be in touch as soon as we receive your check. For this company, the typical timeframe for receiving checks is 4-8 weeks. We realize this is a long time to wait but unfortunately the manufacturer's mailing practices are out of our hands. Our goal is always to get you paid as quickly as possible. Our staff will contact you as soon as we receive the check and we will send your settlement funds by mail after the check clears our client trust fund account (up to 10 days after receipt). I hope we were able to meet all of your expectations in terms of our representation of your claim—it was our pleasure to assist you with this matter. Please give us a call if you have any other questions or concerns.

Hi Dan,

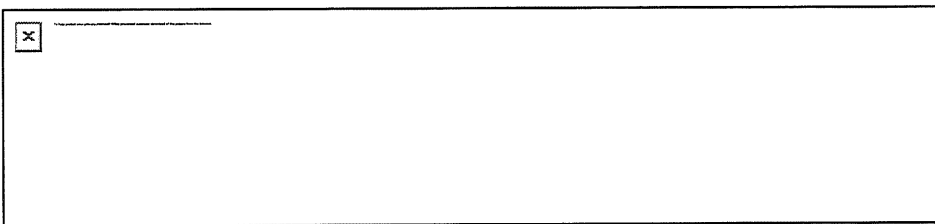

I was finally able to do it! I have posted on all AMAR sites. Please feel free to use it on all of your SM sites. Thank you again. Please see below....

If you have any problems with your vehicle and do not know where to turn, you need not to look any further! Amar Law Group is the best of the best! From the moment I contacted them, my Attorney Daniel Neisess was on top of it. I had purchased a new 2019 BMW Z4 and from the start began having electrical problems. After the 5th time in the shop for the same issues, I began researching Lemon Laws in the state of Arizona and their law firm pulled up on my internet search. I wasn't sure if I even had a case but within moments of contacting them, they put me at ease and took the case. Daniel and his team were amazing! Answered all my questions, walked me through the process every step of the way, was always available to take my calls and went above and beyond fighting/negotiating with BMW on my behalf. After having my vehicle in the shop several additional times, not only was Daniel able to successfully navigate and negotiate with BMW, he was able to get them to repurchase the vehicle in record time. I cannot thank Amar Law Group and specifically Attorney Daniel Neisess enough for their help!

Eternally Grateful,

Cathie

Warmly,

Hello,

I received the settlement check today.

Words cannot express my appreciation for the work this law firm performed on my behalf. As you probably could tell from dealing with me, I'm not a very patient person. However, I believe I exercise a lot of patience with the dealership that sold me the motorcycle in an effort to get it repaired. I wasn't sure about pursuing the lemon law but my initial call with Dan made me feel at ease about it. We even gave the dealership more chances to get it fixed before I retained the Amar Law Group, but the dealership couldn't get it done. Regardless of the outcome, it was very refreshing to deal with a law firm that did exactly what they said they would do. The incredible outcome only made it better.

I will certainly recommend your law firm to anyone who has similar troubles with their vehicle. During non-COVID times, my work takes me to Phoenix all of the time. If you don't mind, I would really like to come in and say hello if the situation allows and thank you in person. In the meantime, please stay safe, keep up the great work, and again, thank you very much.

Bob

Lynne and I would like to thank you for the superb job you did in obtaining our settlement under the lemon law.

Before we retained your firm, I spoke to about 10 attorneys and they would not take the time to even discuss our case. When I called you, you were very positive and felt we had a good chance of a settlement. You took the case and immediately sent demand letters to the parties involved in our claim. In your letters you referred to many cases where the parties won under the lemon law. It did not take long before the parties came up with a settlement agreement and a substantial cash award to us.

Thank you for your time and efforts. We could not have done it without you.

You were extremely professional in all your efforts and we are very impressed in our knowledge of the lemon law.
