## CAT SPONSORSHIP FORM

### Helping kittens and cats every day of the year

Some of our cats are very timid and need time to overcome their fear of humans. Some of them can never be re-homed due to being traumatised from past unhappy experiences, illness etc and will remain with us for the rest of their lives. Therefore, we are always looking for people who are able to sponsor a cat. Your sponsorship will help us provide a warm shelter, specialist food, veterinary care/medical needs and the love they need. By sponsoring one of our residents you are enabling them to live at the Sanctuary for the rest of their lives in a warm, safe and loving home.

In return for your donation, we will send you a welcome story about your cat and the sanctuary, A personalised certificate for your chosen cat, signed by a trustee of North Norfolk Cats Lifeline Trust, a 7x5 photograph of your new pal and a passport sized photo for your purse/wallet, along with the opportunity to book appointments meet them face to face at the sanctuary. You will also receive twice yearly newsletter updates on your 'pal' at Christmas and in the summer.

All animals sponsored remain the possession of North Norfolk Cats Lifeline Trust  
If an animal is no longer available for sponsorship an alternative animal to sponsor will be offered. In these circumstances an updated sponsorship certificate and animal information will be sent to you free of charge
