

SAFELINK ALLROUNDER HIGH ANKLE SHOES

DURABLE | SAFE | COMFORTABLE

Safelink Allrounder High Ankle Shoes are designed for maximum protection, all-day comfort and reliable performance in demanding work environments. Built with superior quality materials and advanced safety features, these shoes provide excellent grip, impact protection and long-lasting durability.

KEY FEATURES

-  **Steel Toe Cap**
Protects against impact and compression up to 200 Joules.
-  **Puncture Resistant Midsole**
Protects against penetration from sharp objects up to 1100 N.
-  **Heat Resistant Outsole (HRO)**
Outsole resistant to contact heat up to 300°C.
-  **Water Resistant Upper (WRU)**
Durable waterproof upper material helps repel water and keep feet dry.
-  **Slip Resistant Outsole (SR)**
Superior slip resistance on both ceramic and steel surfaces.
-  **Shock Absorption**
Energy absorbing heel for enhanced comfort and reduced fatigue.
-  **Comfort & Breathability**
Padded collar and breathable lining for all-day comfort.
