

SAFELINK

DARK SAFETY GLASSES

Safelink Dark Safety Glasses are designed to provide reliable eye protection with a sleek, lightweight and sporty design. Featuring dark single lens with increased side protection, soft temple tip pads and a comfortable wrap-around fit, these glasses are ideal for industrial and outdoor environments.

KEY FEATURES

Dark Single Lens

Provides increased side protection and reduces glare.

Sporty Temple Tips

Soft temple tip pads for a comfortable and secure fit.

Secure Polycarbonate Lens

High impact resistance and durability for demanding environments.

Lightweight Design

Ensures all-day comfort without compromising protection.

9-Base Wrap-Around Frame

Offers excellent coverage and a wide field of vision.

Soft Nose Bridge

Enhances comfort for extended wear.
