

**Product Description:** Allrounder High ankle shoes

Safelink Allrounder S3 SRC HRO and antistatic shoes with wear and slip resistant rubber outsole and soft PU midsole.

These shoes are designed to protect the wearer from impact, puncture and other injuries while at work. Improved scuff cap design for 360 degree protection of toes. Light-reflector strip for high visibility during night jobs, increasing protection. Breathable upper for comfort. Wear resistant skin comfort lining. Strong triple stitching for durability. Rubber outsole enables shoes to be worn for short durations for contact heat up to 300 deg C
