

SAFELINK CLEAR SAFETY GLASSES

Safelink Clear Safety Glasses are designed to provide essential eye protection with a lightweight and comfortable fit. Featuring a transparent single lens and sports-inspired design, they are ideal for a wide range of industrial and outdoor applications where clarity, comfort and protection are essential.

KEY FEATURES

Transparent Single Lens

Wide, uninterrupted vision with increased side protection.

Sporty Design

Lightweight and comfortable for all-day wear.

Polycarbonate Lens

Durable and impact resistant for enhanced safety.

Soft Nose Bridge

Provides a secure and comfortable fit for extended use.

Comfortable Temple Tips

Non-slip, soft tips for a stable fit.

Versatile Use

Suitable for industrial, construction, maintenance and outdoor activities.
