

SAFELINK VORTEX 6 SAFETY BOOTS

Safelink Vortex 6 Safety Boots are built for tough work environments, offering superior protection, all-day comfort and durability. Manufactured with high-quality materials and advanced construction, these boots are designed to keep you safe, comfortable and productive, wherever your work takes you.

KEY FEATURES

Premium Safety Protection

Composite toe cap and puncture resistant midsole provide reliable protection in demanding environments.

All-Day Comfort

Ergonomic design with cushioned insole reduces fatigue and enhances comfort.

Slip & Heat Resistant

HRO outsole offers excellent grip and heat resistance (up to 300°C).

Water Resistant

WRU construction keeps your feet dry in wet conditions.

Durable Construction

High-quality materials and robust build for long-lasting performance.

Enhanced Stability

6-point textile suspension and supportive ankle design ensure a secure fit.

APPLICATIONS

- Oil & Gas
- Mining
- Construction
- Heavy Industry
- Manufacturing
- General Industrial
