RE: SCGOP Convention - May 20, 2023

Dear HCGOP Delegates and Alternates:

On behalf of the Horry County Republican Party, thank you all for participating in the 2023 Horry County Republican Party Convention! Our convention was a great success thanks for your help and participation!

Among other things, at the Convention we elected 61 Delegates and 61 Alternate Delegates to attend the upcoming State GOP convention in Lexington, SC on May 20, 2023.

This is an exciting time, and a critical time in our country's history. Now, more than ever, Republicans must find ways to work together, and to bring more people to the fight for a limited government that will respect and protect our constitutional liberty and freedoms, not trample them!

If you were elected as a Delegate, we hope that you will commit to join us in Lexington for the State GOP Convention on May 20. Due to the travel involved, we are recommending that Delegates travel to Lexington the day before. And Delegates should be prepared for a full day of convention in Lexington.

We are still receiving some details from the State Party, and those will be passed along to you as we receive them. If you are an Alternate Delegate, we'll let you know as soon as possible if a space has opened up for you. If you are elected as a Delegate, but do not know if you can attend the State Convention on May 20, we ask you to please let us know your plans as soon as possible, so that if you are not able to attend, we can offer your delegate slot to the next-in-line Alternate Delegate.

If you have any questions, please feel free to reach out to me at chairman@horrycountyrepublicanparty.org.

Thank you for everything that you do to support the Republican Party here in Horry County and in South Carolina! I look forward to seeing you all in Lexington, and to a great State GOP Convention!

Yours sincerely,

Reese R. Boyd, III
Chairman, HCGOP
