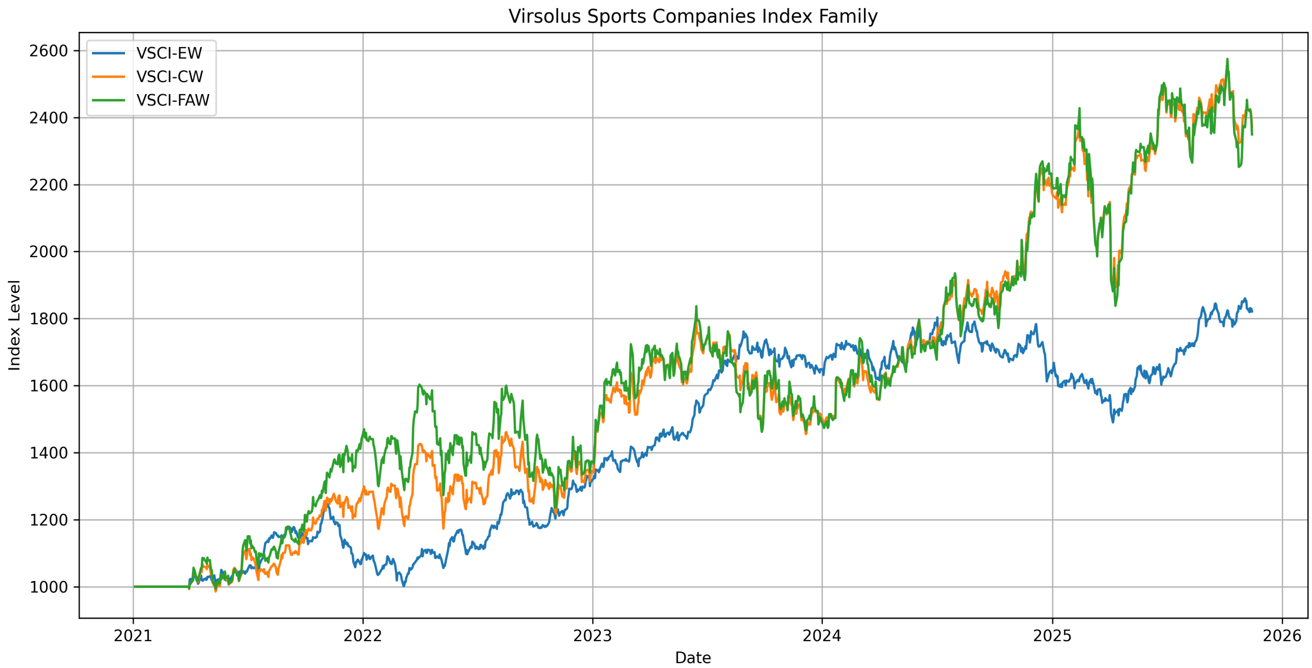
Index History



Methodology Snapshot
• Base date: 1 January 2021; base value: 1000 for all indices.
• Universe: publicly listed sports companies with reliable price and market capitalisation data, excluding esports and apparel/betting firms.
• Rebalancing: quarterly, with consolidated treatment of multiple share classes at the economic-entity level.
• Weights:

- VSCI-EW: equal-weighted (1/N).
- VSCI-CW: full market-cap weighted.
- VSCI-FAW: float-adjusted market-cap weighted.
