By signing this document,

I, \_\_\_\_\_ hereby commit to the following:

1. To lead the **JV** team to the best of my ability, with enthusiasm and initiative
2. To communicate any significant issues that jeopardize the performance or unity of the team with the club presidents or advisor
3. To have the team's best interest at heart at all times
4. To uplift my teammates in addition to myself, and to provide help to my teammates whenever possible
5. To be committed to achieving my best and giving 100% at all practices, events, and competitions

And I understand the following:

1. As the representative of the Gunn Science Bowl **JV** team, I agree, to my capabilities, to keep Gunn High School and its team held in the best light possible at all practices, events, and competitions.
2. Being on the competitive **JV** team is not easy, and being the captain is even more challenging.
3. I am considered the leader of the Gunn Science Bowl **JV** team, and I will be held accordingly to that standard.
4. At any time, I am able to come to the varsity captain, club presidents, or advisor for support, guidance, or advice.
5. If I am considering resignation, I have the option to either resign from the team entirely or simply resign my captainship, while maintaining my team membership.
6. If I resign from my position as a member on the team and/or give up my captainship, the **JV** team's co-captain will lead the team in my stead.
7. If I resign my team membership and/or captainship, I understand that I can no longer be considered for that position until next year's qualifier test.
