By signing this document,

I, _____ hereby commit to the following:

1. To attend all team meetings for the **varsity** team with no unexcused absences. Any conflicting arrangements will be explained clearly to the Presidents.
2. Information discussed at each team meeting will be kept confidential until disclosure is approved. Out of respect for your other teammates, we ask that all team members keep team group chats, activities, and other information undisclosed.
3. To complete assignments or prepare anything that was outlined in the **varsity** team information section. (If this position is a Specialty lead, I will attend all officer meetings and conduct lectures for all club members, with pre-prepared presentations.)
4. To help create a welcoming atmosphere for my teammates, as well as junior team members.
5. To display academic honesty and integrity at all times.

And I understand the following:

1. As a member of Science Bowl, I am held to the Constitution of Gunn Science Bowl, and will follow guidelines strictly.
2. Being on the competitive **varsity** team is not an easy job.
3. As a team member, I will be accountable for my specialty section. My job will require commitment and dedication. Any mistake or communication error will affect the entire club, and all the other members.
4. There will be times when other responsibilities will interfere with my position as a **varsity** team member, and it will be difficult to balance with school work. My responsibilities for the science bowl, to a reasonable degree, will come before my schoolwork.
5. If there is a time when I feel overwhelmed or confused with my responsibilities to the **varsity** team, I will talk to the presidents or the advisors to ask for help.

6. Under the circumstance that I will need to resign from my position, I will give at least 3 weeks notice to the presidents and advisor privately. In addition, a resignation letter is expected.
7. As a member of the **varsity** team, I am a senior member and will be a role model for the rest of the club. I will be present at the regional tournaments as well as after school practices, and will be present at national tournaments, if applicable. If I have to miss a competition practice, I will explain clearly.
8. I will be friendly and inclusive to all club members (junior and senior).
9. I will help novices familiarize themselves with the club and encourage them constantly.
