*Serving clients locally, nationally, and internationally*

---

## **COMPANY OVERVIEW**

PraxisPro.eco is a mission-driven sustainability consulting firm that empowers public agencies, project teams, and communities to plan, measure, and implement high-impact climate and equity strategies. Founded by Kristi Wamstad—a recognized expert in sustainability performance systems—PraxisPro.eco brings 20+ years of leadership in the development, verification, and application of national frameworks, such as LEED for Cities, Envision Framework for Sustainable Infrastructure, and STAR Communities. With a unique blend of technical expertise, strategic insight, and facilitation skill, PraxisPro.eco helps clients integrate systems thinking into infrastructure, climate policy, and organizational change.

---

## **CORE COMPETENCIES**

PraxisPro.eco is a woman-owned sustainability consulting practice advancing resilience through systems thinking, performance-based frameworks, and rigorous evaluation.

- Sustainability & Resilience Frameworks (LEED, Envision, STAR, EcoDistricts)
