

To whom it may concern:

I want to highly recommend that anyone reading this letter allow Rev. Ralph James (Jimmy) Hill Jr. to come and lead as God sees fit in Revival or pulpit supply. I am here to tell you that God has given Jimmy a Vision and a laser focus on where and what churches are supposed to be doing according to the Bible. Jimmy has put much time and effort but more importantly prayer and studying in this ministry topic. You won't find a more willing servant to obey God and be led by the Holy Spirit. This isn't another program to start or book to purchase. This is a close walk and talk between a man called of God and God. Jimmy may have run from his calling for a long time but he has now answered and my friend what God has given him should and will inspire all Christians. Don't miss this opportunity to invite this messenger of God to inspire you and your church and prayerfully the surrounding areas so that a Revival will start and sweep the land like a wildfire.
