

## Belief

The Holy Bible was God breathed and is the inerrant revelation of Himself to man.

One God, existing in three persons;  
God the Father, Creator of all things.

He reigns providentially over all.

Jesus, the Son of God, who died on the cross of Calvary as the atoning sacrifice for the sins of all mankind. He was buried in a tomb from which He arose three days later.

The Holy Spirit is the promised Helper, dwelling within the heart of every believer from the moment of their salvation.

Salvation is offered to all who believe upon Jesus Christ as their Lord and Savior, it is a gift that can in no way be earned or bought; it can only be accepted or denied.

Heaven is the eternal home for all who accept the gift of salvation and truly follow Jesus with their hearts.

Baptism is the immersion of the believer into water, giving witness to the believer's faith in Jesus. It symbolizes the believer's death to sin and the resurrection to walk in the newness of life in Christ Jesus.
