To Whom It May Concern,

I am writing this letter on behalf of Jimmy Hill, one of our graduates at Fruitland Baptist Bible College. I taught Jimmy at Fruitland and was able to interact with him in the classroom and outside of the classroom on a very intimate basis for several years. My experience with Jimmy was and is a very positive experience. Jimmy is a man of Godly integrity who genuinely loves the Gospel and has a profound call on his life to teach and disciple others to love the Scriptures and the Gospel. I was blessed to see the life of this man in good times as well as in times of struggle and his life is a testimony to the power of God. He is truly a man of God and I would highly recommend him as Gospel minister.

In Christ's Name,
